

Together, we're helping you stay well. Here's your Walgreens Healthcare Clinic Health Test voucher!*

When redeeming this offer, please follow these simple steps:

- 1. Fasting is recommended, but not required.** For the best results for the full cholesterol panel test, fasting for 9 - 12 hours of no food or drink (other than water) is an option, unless advised otherwise by your physician.
- 2. Have your health tests performed at a Walgreens Healthcare Clinic.** Appointments are recommended. To schedule your health tests, visit Walgreens.com/schedule. Choose Walgreens Healthcare Clinics. Once in the scheduler tool, check Health Screening.
- 3. At your Walgreens Healthcare Clinic,** in order to get tested and receive credit for your incentive, you must present the completed voucher below and a photo ID at the beginning of your visit.

At your Walgreens Healthcare Clinic, please sign in at one of the touchscreen kiosks and follow the steps below:

Select "Health Screening/Biometric Screening (18+)" when prompted.

Next, when prompted please select "I have a voucher, special offer or gift card" on the touchscreen.

Questions or Comments? Please call customer service at 855-WALGREENS (855-925-4733).

Please note: This voucher is only valid at Walgreens Healthcare Clinic locations. Clinics operated by a local health system will not honor this voucher

This voucher entitles the bearer to receive the following health tests at no charge: one Blood Glucose Test, one Full Cholesterol Panel Test and one Blood Pressure Test, plus height, weight, BMI and waist circumference.*

A wellness benefit brought to you by UNITE HERE HEALTH.
