## **BlueCross BlueShield of Illinois Replaces ComPsych — New Pre-notification Rules**

**Effective** as of **October 1, 2013**, your existing **BlueCross BlueShield of Illinois (BCBSIL)** network **will replace** the **ComPsych** network **for mental health and substance abuse coverage.**

Fortunately, there will be **no need to switch providers** because **the ComPsych providers currently being used are also BCBSIL providers.**

**In addition to a new network**, the Plan's **pre-notification requirements are changing**: instead of requiring pre-notification for all mental health or substance abuse treatment, **pre-notification will only be required for** mental health or substance treatment involving **hospitalization.**

**Be sure to use your BCBSIL ID card for all treatment received on or after October 1, 2013.** To protect your privacy, destroy your ComPsych ID card after September 30th; it will no longer be accepted after that date.

**If you have questions** about these changes, **contact a Care Coordinator at (866) 686-0003.**
