Make self-payments ▶

Short hours?

You can continue your eligibility (health benefits) by making self-payments (**\$6.57 per hour**) if you:

- Were eligible for coverage the month before the month you are self-paying;
- Were credited with at least 120 work hours in one month during the 12 months before the month you are self-paying; and
- Have at least 300 total “applied” hours (*includes work, vacation and earned hours but not self-pay, FMLA or disability credit hours*) during the 12 months before the month you are self-paying (after your first 12 months of eligibility)

If you think you have **banked hours**, please call us to apply them *BEFORE* you make your payment.

Three ways to self-pay:

- 1. Mail**—Make checks payable to UNITE HERE HEALTH, P.O. Box 809328, Chicago, IL 60680-9328
- 2. Phone**—Call (888) 437-3480 to pay with a credit card.
- 3. Online**—Visit www.uhh.org/member and click the “payments” icon (credit card, bank account draft or recurring payments)

Payments must be postmarked by the 15th day of the month BEFORE the coverage month. If you miss a payment, your coverage will end.

Out of work?

COBRA continuation coverage may be an option for you. It provides an extra 18-36 months of the same benefits you have now (except for life, AD&D, and short-term disability).

You must sign up for COBRA and pay the required payments when they are due. **Watch your mail** for more information.
