

Need to see a doctor NOW?

Your telemedicine benefit
offers 24/7 care with \$0 copay!

Don't wait— get started today!

1) ENROLL:

uhh.amwell.com

Download our mobile app.
Create an account and answer
basic questions.

- You'll need a "service key"
(you **MUST** enter **UHH** to
get the free benefit)

• Select your insurance:

Horizon Blue Cross Blue Shield of New Jersey

- Enter your **Subscriber ID** (the Member
ID from your Horizon BCBS ID card)

You can also call Amwell: **(844) 733-3627**

2) CHOOSE:

You'll see a list of available doctors.
Choose the one that works best for you.

3) START YOUR VISIT:

See and speak with a doctor within minutes.

The screenshot shows the Amwell mobile app enrollment interface. At the top is the Amwell logo. Below it, the form asks for the user's current location, which is set to 'New York'. It then prompts for an email address, a confirm email, and a password. There is a toggle for 'I agree to these Terms of Use'. Under 'Optional Information', it shows 'UHH' and 'Horizon Blue Cross Blue Shield of New Jersey'. It also asks for a 'Subscriber ID' and whether the user is the 'primary subscriber'.

Welcome to Amwell—

*a new telemedicine benefit from
your health fund and Horizon BCBS.*

Can't get an appointment with your regular
doctor? See one of our U.S. board-certified
doctors, therapists, or registered nurses:

- Use your phone, tablet or computer,
from home or on the go
- **Any time**, day or night—no
appointment needed (*behavioral health
appointments available 7 a.m. – 11 p.m.*)
- No cost to you (visits have a **\$0 copay**)

What we treat:

- Fevers, colds, flu and sinusitis
- Skin irritations and rashes
- Stomach pain
- Depression, anxiety and stress
- Other non-emergency health problems
- We also prescribe medicine
(*filled at your network pharmacy*)
