If you need medical care because of an injury (or sickness) that happened at work, UNITE HERE HEALTH cannot cover these medical bills.

Follow these steps:

- 1 Visit your Risk Management or Human Resources representative to report a claim for Workers' Compensation.
- 2 If approved for Workers' Compensation, they will take care of your medical bills.
- 3 If your Workers' Compensation claim is denied, scan the QR code for information on how to continue the process.
- 4 Only after a Judge with the Division of Workers' Compensation denies your claim will UHH reprocess your medical bills.*

* Most workers' injuries may not be covered by the plan.

If you have questions, call Member Services listed on the back of your medical ID card or visit www.uhh.org/contact.

We exclude work-related injuries. For more information about what is excluded, read your Summary Plan Description (SPD) at www.uhh.org/liberty.
