However, if you take specialty medications as part of your HIV treatment plan, you may get an exception to use your network retail pharmacy.

Specialty medicine

- You or your doctor need to get prior authorization for all specialty and biosimilar drugs by calling **(844) 484-4726**
- Once you have prior authorization, call Welldyne Specialty to order your specialty medicine: **(800) 373-1879**

Diabetic supplies

- You can get diabetic supplies from any in-network retail pharmacy or by mail order.
- You can also get a free glucometer once every 12 months through Hospitality Rx—call **(844) 484-4726**. The manufacturers below also provide one free glucometer every 36 months.

One Touch (by LifeScan)

- Take your glucometer Rx to a network pharmacy
- Bring the following info:
 - BIN: 601341
 - RxPCN: OHS
 - Group ID#: OH6504161
 - ID#: NOCHARGEMETR

FreeStyle (by Abbott)

- www.choosefreestyle.com
- (800) 680-6850**
- Use order code: RAFITLWP
- Your meter will be sent to the address you provide during the ordering process

ChroniCare drugs are medications for diabetes, high blood pressure, and high cholesterol that cost you less than other drugs (see copays in the chart).

What's a formulary?

It's the list of drugs covered by your health insurance plan. It helps us offer the medicines you need at lower prices.

Use our drug lookup tool to see what's covered:

- Go to drugs.hospitalityrx.org
- Select "Monterey Culinary Health Fund"
- Search by drug class or by drug name
