Using this book

Learn:

- What UNITE HERE HEALTH is.
- What this book is and how to use it.
Using this book

Please take some time to review this book.

If you have dependents, share this information with them, and let them know where you put this book so you and your family can use it for future reference.

What is UNITE HERE HEALTH?

UNITE HERE HEALTH (the Fund) was created to provide benefits for you and your covered dependents. UNITE HERE HEALTH serves participants working for employers in the hospitality industry and is governed by a Board of Trustees made up of an equal number of union and employer trustees. Each employer contributes to the Fund based on the terms of specific Collective Bargaining Agreements (CBAs) between the employer and the union.

Your coverage is being offered under New York Plan Unit 100A, which has been adopted by the Trustees of UNITE HERE HEALTH to provide medical and other health and welfare benefits through the Fund. Other SPDs explain the benefits for other Plan Units, including the benefits under New York (Plan Unit 100B) and Greater New York Regional Hotel Plan (Plan Unit 105).

What is this book and why is it important?

This book is your Summary Plan Description (SPD). Your SPD helps you understand what your benefits are and how to use your benefits. It is a summary of the Plan’s rules and regulations and describes:

• What your benefits are.
• Limitations and exclusions.
• How you become eligible for coverage.
• How to file claims.
• When your dependents are covered.
• How to appeal denied claims.

In the event of a conflict between this Summary Plan Description and the Plan Document governing the Plan, the Plan Document will govern.

No contributing employer, employer association, labor organization, or any person employed by one of these organizations has the authority to answer questions or interpret any provisions of this Summary Plan Description on behalf of the Fund.

How do I use my SPD?

This SPD is broken into sections. You can get more information about different topics by carefully reading each section. A summary of the topics is shown at the start of each section. When you have questions, you should contact the Fund at (866) 261-5676. The Fund can help you understand your benefits.

Read your SPD for important information about what your benefits are (see page B-2), how your benefits are paid, and what rules you may need to follow. You can find more information about a
specific benefit in the applicable section. For example, you can get more information about your medical benefits in the section titled “Medical benefits.” If you want to know more about your life or AD&D benefits, read the section titled “Life and AD&D benefits.”

Some terms are defined for you in the section titled “Definitions” starting on page J-2. The SPD will also explain what some commonly used terms mean. When you have questions about what certain words or terms mean, contact the Fund at (866) 261-5676.
How can I get help?

Call the Fund at (866) 261-5676:

- When you have questions about your benefits.
- When you have questions about your eligibility.
- When you have questions about your claim—including whether the claim has been received or paid.
- When you have questions about self-payments.
- To update your address.
- To report changes in your family status
- To request new ID cards.
- To get forms or a new SPD.
- To find out if your provider got prior authorization for your care.

You can also visit UNITE HERE HEALTH’s website to get forms, an electronic copy of your SPD, and other information: www.uhh.org.

This booklet contains a summary in English of your plan rights and benefits under UNITE HERE HEALTH. If you have difficulty understanding any part of this booklet, you can call UNITE HERE HEALTH at (866) 261-5676 (TTY: (855) 386-3889 or (855) FUNDTTY) for assistance.

Este folleto contiene un resumen en inglés de sus derechos y beneficios de su plan bajo UNITE HERE HEALTH. Si tiene dificultad para comprender cualquier parte de este folleto, puede llamar a UNITE HERE HEALTH al (866) 261-5676 (TTY: (855) 386-3889 o (855) FUNDTTY) para obtener asistencia.
How do I get the most from my benefits?

Learn:

- Why you should get a primary care provider.
- Why you should get preventive healthcare.
- How to reduce your costs for urgent care.
- How to use the EAP, telehealth, and network providers to save time and money.
- Why you should get prior authorization for your care.
- How to join the Better Living program to manage your chronic condition.
How do I get the most from my benefits?

Get a primary care provider

You and each of your dependents should have a primary care provider (also called a “PCP”). You can all have the same PCP, or you can each choose different PCPs. You may choose a pediatrician as your child’s PCP. You have the right to choose any PCP who is available to accept you or your family. You are encouraged to have a PCP, but the Fund doesn’t track your PCP. You don’t need to tell the Fund who your PCP is, and you don’t need to tell the Fund if you change PCPs.

You should get to know your PCP so he or she can help you get, and stay, healthier. Your PCP can help you find potential problems as early as possible and coordinate your specialist care. Your PCP also helps you keep track of when you need preventive healthcare.

PCP visits are free at designated patient-centered medical homes and at the Union Health Center. See page D-3 for more information.

✓ Call the Fund at (866) 261-5676 to get help finding a PCP or a specialist.

Get preventive healthcare

Your Plan pays 100% for most types of preventive healthcare when you use network providers. Getting preventive healthcare helps you stay healthy by looking for signs of serious medical conditions. If preventive healthcare or tests show there is a problem, the sooner you get diagnosed, the sooner you can start treatment. Be sure to use a network provider. The Plan won’t pay for preventive healthcare if you use a non-network provider. See pages D-5, D-16, and J-6 for more information about preventive healthcare.

Re-think emergency room care

Is it really an emergency? You can save money by going to an urgent care center or PCP, or using Doctor on Demand (telehealth) for non-emergencies. You pay a $10 copay for these visits. You pay a $150 copay for emergency room care, plus even more for non-emergency treatment. (See page J-4 for the definition of “emergency” and B-6 for details about Class II emergency room benefits.)

Some urgent care centers are open late in the evening. Call (866) 261-5676 if you need help finding a network urgent care center.

✓ If you need emergency care, call 911 or go to the nearest emergency room.

Use the Employee Assistance Program (EAP)

You can get help for a wide range of concerns, including substance abuse, work or family con-
How do I get the most from my benefits?

Flicts, stress, depression, and grief counseling, through the EAP. The program provides confidential assistance and support, including short-term counseling. You get unlimited telephonic sessions, and 5 in-person sessions (including virtual teleEAP sessions), for free each year. See page D-35 for more information.

Optum
toll free: (866) 248-4094
www.liveandworkwell.com
(Enter the access code “UHH”)

Visit a doctor or therapist on your smartphone, tablet, or computer from virtually anywhere

With Doctor on Demand for telehealth medical care, and telemental health through Optum for mental health/substance abuse care, you can access network providers in a convenient, secure way. You pay a $10 copay for each virtual visit.

For medical providers: www.doctorondemand.com
For mental health/substance abuse providers: www.liveandworkwell.com

Stay in the network

✓ Your costs can be extremely high when you use non-network providers. Always remember to ask your provider for in-network services only—including laboratory services.

✓ Non-network services aren’t covered under the Class II level of benefits, except in emergencies.

Reduce your costs with a network provider

The Plan generally pays more of the bill if you choose a network provider than if you choose non-network care. You only have to pay the difference between the network provider’s discounted rate (the Plan’s allowable charge) and what the Plan pays for covered services. The network provider cannot charge you for the difference between the allowable charge and his or her actual charges for your covered services (sometimes called balance billing). This means that you will usually pay less out-of-pocket if you choose a network provider.

Here is a sample medical claim to show you how using a network provider usually saves you money. This example assumes you’ve already met your non-network deductible. The numbers shown may not reflect actual charges or the Plan’s allowable charge, but are intended to help you
How do I get the most from my benefits?

understand how staying in the network means less money out of your pocket.

<td>$750 (50% coinsurance)</td>
</tr>
</tbody>
</table>

Your total payment

$20 (D plus E) $4,250 (D plus E)

Easier claims filing with a network provider

The other advantage to using a network provider is that the network provider will usually file the claim for you. You generally don’t have to fill out a claim form or submit your receipts.

If you choose a non-network provider, you may have to pay the entire cost of your care yourself. The non-network provider may or may not file a claim for you. If the non-network provider requires you to pay the entire cost of your care yourself, you can file a claim with the Plan to get paid back for the Plan’s share of your covered care. See page J-2 for more information about filing claims.

How do I stay in the network?

- Horizon provides access to a national network of doctors, hospitals, and other healthcare providers. For care in New Jersey, your network is the Horizon Direct Access network. For care outside New Jersey, your network is the BlueCard PPO network. Call (866) 261-5676 to find a network provider or visit www.horizonblue.com.

- Optum provides access to a network of doctors, clinicians, and other healthcare providers for mental health/substance abuse care. Call (866) 248-4094 to find an Optum network provider or visit www.liveandworkwell.com.

- Hospitality Rx provides access to a select national network of participating pharmacies (called the True Choice network) that you must use in order to get benefits for prescription drugs. Not all pharmacies are in the network. For example, CVS is in your network while Duane Reade, Walgreens, and Wal-Mart are not. Contact Hospitality Rx at (844) 813-3860 or go to www.hospitalityrx.org to find a network pharmacy.
How do I get the most from my benefits?

- EmblemHealth provides access to a network of dental care providers. Contact EmblemHealth to find a dentist in the Preferred network at (800) 624-2414 or go to www.emblemhealth.com.

- Davis Vision provides access to a network of vision care providers. You can stay in the network by using any participating Davis Vision provider. Call (800) 999-5431 or go to www.davisvision.com to find a Davis Vision network provider.

If you have questions about your benefits, or if you need help finding a network provider, you can also call the Fund at (866) 261-5676.

Get prior authorization for your care

You or your provider must get prior authorization before you get certain types of care. See page C-2 for information about the types of services and supplies that require prior authorization. Horizon Direct Access and Optum network providers are responsible for getting the prior authorization for you. If you use a BlueCard network provider or a non-network provider, you will be responsible for getting the prior authorization. If you or your provider doesn’t call first, you may pay more for your healthcare—you may even have to pay all of the cost.

Medical Services
(Horizon)  (866) 899-0626
Mental health/substance abuse  (Optum)  (866) 248-4094

Join Better Living!

Is your chronic health condition taking over your life? Change your daily routine with the Better Living Program. The Better Living program is a free program that meets once a week for 6 weeks. Each meeting lasts just 2½ hours.

Join the program, and you will learn how to:

- Eat well.
- Manage your prescription drugs.
- Deal with isolation and depression.
- Control your pain.
- Meet your goals.
- Fight fatigue and frustration.
- Start an exercise program.
- Manage stress and relax.
- Solve problems.
- Communicate better.
- Use your healthcare plan.
- Explore new treatments.
How do I get the most from my benefits?

**Workshop leaders**
The workshop leaders are people just like you who have been trained to lead the group. They understand the challenges of living with ongoing health conditions. The workshop leaders manage their own chronic conditions using the skills you will learn.

**Support along the way**
You will receive a lot of support from your classmates, but help outside the program is important, too. You may be able to bring a family member to each session.

Contact the Fund at (866) 261-5676 for more information about the Better Living Program!
Summary of benefits
Summary of benefits

Please call the Fund with questions about your benefits: (866) 261-5676.

Medical Benefits

In general, what you pay for medical care is based on what kind of care you get, where you get your care, whether you stay in network, and whether you are covered under Class I or Class II benefits. For example, you pay less if you use an urgent care center instead of going to the emergency room. Non-network benefits generally aren't available under Class II benefits, except for emergency care as shown below.

This section shows what you pay for your care (called your “cost-sharing”). You pay any copays, deductibles, your coinsurance share, any amounts over a maximum benefit, and any expenses that are not covered, including any charges that are more than the allowable charge when you use non-network providers (see page J-2).

For medical services in New Jersey, your network is the **Horizon Direct Access network**. For medical services outside New Jersey, your network is the **BlueCard PPO network**. For mental health/substance abuse services, your network is the **Optum network**.

If you are a pensioner or retiree, see “Pensioner and Retiree Benefits” on page H-1 for more information about your benefits.

### Commencement of Legal Action

Neither you, your beneficiary, nor any other claimant may commence a lawsuit against the Plan (or its Trustees, providers or staff) for benefits denied until the Plan’s internal appeal procedures have been exhausted. This requirement does not apply to your rights to an external review by an independent review organization (IRO) under the Affordable Care Act.

If you finish all internal appeals and decide to file a lawsuit against the Plan, that lawsuit must be commenced no more than 12 months after the date of the appeal denial letter. If you fail to commence your lawsuit within this 12-month time frame, you will permanently and irrevocably lose your right to challenge the denial in court or in any other manner or forum. This 12-month rule applies to you and to your beneficiaries and any other person or entity making a claim on your behalf.

#### Commencement of Legal Action

Neither you, your beneficiary, nor any other claimant may commence a lawsuit against the Plan (or its Trustees, providers or staff) for benefits denied until the Plan’s internal appeal procedures have been exhausted. This requirement does not apply to your rights to an external review by an independent review organization (IRO) under the Affordable Care Act.

If you finish all internal appeals and decide to file a lawsuit against the Plan, that lawsuit must be commenced no more than 12 months after the date of the appeal denial letter. If you fail to commence your lawsuit within this 12-month time frame, you will permanently and irrevocably lose your right to challenge the denial in court or in any other manner or forum. This 12-month rule applies to you and to your beneficiaries and any other person or entity making a claim on your behalf.

Prior authorization program

Learn when and why you should call:

- To get prior authorization for your care.
- To sign up for the case management program.
**Prior authorization program**

The prior authorization program is designed to help make sure you and your dependents get the right care in the right setting. It helps make sure you don’t get unnecessary medical care and helps you manage complex or long-term medical conditions. The prior authorization program includes mandatory prior authorization of certain types of care to help you make decisions about your healthcare.

Horizon Blue Cross and Blue Shield of New Jersey (Horizon) provides prior authorization for medical services, including: hospital pre-admission review, emergency admission review, and prior authorization of certain outpatient services and supplies. Horizon has contracted with eviCore to manage prior authorization for certain non-emergency, outpatient diagnostic imaging services. EviCore also manages prior authorization for radiation therapy. Optum Behavioral Solutions (Optum) provides prior authorization for mental health/substance abuse services.

<table>
<thead>

</tr>
<tr>
<td>Mental health/substance abuse services</td>
<td>Optum (866) 248-4094</td>
</tr>
</tbody>
</table>

The prior authorization program is not intended as and is not medical advice. You are still responsible for making any decisions about medical matters, including whether or not to follow your healthcare provider’s suggestions or treatment plan. UNITE HERE HEALTH is not responsible for any consequences resulting from decisions you or your provider make based on the prior authorization program or the Plan’s determination of the benefits it will pay.

**Get prior authorization for certain services and supplies**

You or your healthcare provider must get prior authorization before you get any of the types of care listed below. When you use a Horizon Direct Access network provider or Optum network provider, your provider is required to get the prior authorization for you. You will not be penalized if your network provider does not follow the prior authorization program.

If you use a BlueCard network provider, or other provider that isn’t in the Horizon Direct Access or Optum network, you are responsible for getting the prior authorization. If you don’t get prior authorization before you receive these types of care, your claim may be denied. Making sure you get prior authorization first helps you avoid surprise medical bills. **If you get treatment, services, or supplies that are not approved, not covered, or are not medically necessary, you pay 100% of your care.**

EviCore may reach out to you to help you schedule your appointment at the best-value imaging location nearest you. You can also call eviCore and get help scheduling basic radiology services that don’t require prior authorization.
Prior authorization does not guarantee eligibility for benefits. The payment of Plan benefits are subject to all Plan rules, including but not limited to eligibility, cost sharing, and exclusions.

When to call for prior authorization
You or your healthcare provider should get prior authorization before any of the following:

- Any inpatient admission (through Horizon or Optum), regardless of the type of facility or care, including but not limited to skilled nursing facility care, hospice, residential treatment (through Optum), and elective Cesarean section (C-section) admissions under 38 weeks.

- Ambulance transportation that is non-emergent (ground or air).

- Arthroscopy (regardless of setting).

- Bariatric surgery, including gastric bypass and banding procedures.

- Blepharoplasty.

- Carpal tunnel release.

- Clinical trials.

- Cochlear implants.

- Diagnostic imaging services (through eviCore) as follows:
  - CT, CTA, and CAT scans (computed tomography scintiscan or computerized axial tomography scintiscan).
  - MRA and MRI (magnetic resonance imaging or magnetic resonance angiography).
  - PET scan (positron emission tomography scintiscan).
  - Cardiac catheterization.
  - Echocardiogram.
  - Nuclear medicine.
  - Nuclear cardiac imaging.

- Durable medical equipment over $500. (This includes breast pumps costing over $500.)

- Electromyogram.

- Excision of excess skin.

- Genetic testing.
Prior authorization program

- Gynecomastia (surgical treatment).
- Habilitative therapy for children with autism spectrum disorder.
- Hip replacement.
- Home healthcare services, including home infusion.
- Hospice services.
- All hospital-based outpatient surgical procedures.
- Hyperbaric oxygen therapy.
- Certain injectable medications (call Horizon to find out if your injectable drug requires prior authorization).
- Knee replacement.
- Laminectomy.
- Lipectomy (removal of excessive fat/tissue).
- Mammoplasty (breast reduction).
- Medical foods for inborn errors of metabolism.
- Meniscectomy.
- Myelogram.
- Non-routine outpatient mental health and substance abuse services (through Optum), including:
  - Extended outpatient visits lasting longer than 53 minutes.
  - Intensive outpatient programs.
  - Methadone maintenance.
  - Partial hospitalization programs.
  - Psychological testing.
  - Transcranial magnetic stimulation.
- Orthognathic jaw surgery, including treatment for temporomandibular joint disorder (TMJ) and other craniofacial disorders.
- Orthotics over $500.
Prior authorization program

- Percutaneous discectomy reduction.
- Physical, occupational, and speech therapy.
- Prosthetics over $500.
- Radiation therapy (through eviCore).
- Requests for the network level of benefits for non-network treatment or supplies when there aren’t any network providers for that type of treatment or supply.
- Rhinoplasty and septroplasty.
- Sclerotherapy (surgery for varicose veins).
- Sleep study.
- Submucous resection.
- Transplant services.
- Travel and lodging.
- Uvulopalatopharyngoplasty (UPPP).

You should contact Horizon, Optum, or eviCore, as applicable, before getting any of the above types of services and supplies, or being admitted as an inpatient. Some of these services may not be covered under the Class II level of benefits. This list changes from time to time. Contact the Fund at (866) 261-5676 for the most up-to-date information.

For emergency admissions, be sure to call no later than the first business day following the admission. No prior authorization is required for emergency medical treatment you get in an emergency room or while you are in observation in the hospital.

If you are hospitalized because you are having a baby, you must call Horizon if your stay will be longer than 48 hours for normal childbirth, or 96 hours for a Cesarean section. Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or a newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a Cesarean section. However, federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

See “Rules for Prior Authorization” on page I-6 for information about when the applicable entity must respond to your request for prior authorization and information about how to appeal a prior authorization denial.
Prior authorization program

Case management program

You and your dependents may be eligible for the case management program under certain circumstances, including if you have a complex or chronic medical condition, or if your condition has a high expected cost. You may be contacted to participate in case management, but you or your healthcare provider can also request case management services. Horizon and Optum provide case management services.

If you are selected for the case management program, a case manager will work with you and your healthcare providers to create a treatment plan and help you manage your care. The goal of case management is to make sure that your healthcare needs are met while helping you work toward the best possible health outcome, and managing the cost of your care.

The case manager may recommend treatments, services, or supplies that are medically appropriate but are more cost-effective than the treatment proposed by your healthcare provider. UNITE HERE HEALTH, at its discretion and in its sole authority, may approve coverage for those alternatives, even if the treatment, service, or supply would not normally be covered.

However, in all cases, you and your healthcare provider make and are responsible for all treatment decisions and any resulting consequences.

In some cases, case management may be required. For example, you may be required to use the case management program in order to get benefits for transplants or travel and lodging costs. If you do not use the case management program when required, Plan benefits may not be payable. Unless specified as mandatory, it is your choice whether or not to join the case management program, and whether or not to follow the program’s recommendations.
Medical benefits

Learn:

- How to get find a network provider and get free care.
- What you pay for healthcare.
- How the network out-of-pocket limits protect you from large out-of-pocket expenses.
- What types of medical healthcare the Plan covers.
- What types of medical healthcare are not covered.
Medical benefits

This benefit is available under Class I and Class II (including certain pensioners and retirees). See the Summary of Benefits on page B-2 for a summary of what you pay for your medical healthcare.

Network providers

The Plan has two levels of benefits — Class I and Class II. See page G-1 (or, if you are a pensioner or retiree, page H-1) for information about which level of benefits applies to you. The Plan pays benefits based on whether treatment is rendered by a network provider or a non-network provider. Under Class II benefits, non-network services generally aren’t covered, except in a few circumstances (see below for more information).

For medical care in New Jersey, your network is the Horizon Direct Access network. For medical care outside New Jersey, your network is the BlueCard PPO network. To find network providers for medical care, call the Fund at (866) 261-5676 or go to:

Horizon Blue Cross and Blue Shield of New Jersey (Horizon)
www.horizonblue.com
(Click Find a Doctor, and select the “Horizon Direct Access” plan or choose “Find Doctors Outside of NJ.”)

To find network providers for mental health and substance abuse care, contact:

Optum
toll free: (866) 248-4094
www.liveandworkwell.com
(Enter the access code “UHH” and then go to “Find a Provider”)

See page A-6 for more information about how staying in the network can help you save money.

The Plan will apply network benefits to: emergency treatment; professional ambulance transportation; treatment provided by non-network healthcare providers who specialize in anesthesiology, emergency medicine, pathology, or radiology; inpatient consultations with non-network providers; and when the network doesn’t have a provider in the required specialty. For Class II, this means benefits are provided for non-network services under these circumstances. However, for both Class I and II, the allowable charge will be based on whether or not the provider is in the network. You must still pay the difference between the Plan’s allowable charge and what the non-network provider charges.
Designated patient-centered medical homes and the Union Health Center

✓ Save money — You pay $0 for primary care services at a designated patient-centered medical homes and at the Union Health Center!

✓ All covered services provided by the Union Health Center are free!

If you pick a primary care provider (see page J-4 for the definition of a PCP) at a designated patient-centered medical home or at the Union Health Center, you pay $0 for primary care services from that PCP. A patient-centered medical home helps coordinate your care through your PCP to make sure you get the care you need, when and where you need it, and in a way you can understand.

You also pay $0 for other covered services provided by the Union Health Center. The services available change from time to time. Contact the Union Health Center to learn about what free services are available.

For help finding a PCP or designated patient-centered medical home near you, call the Fund at (866) 261-5676.

What you pay

You must pay your cost-share (such as deductibles, copays, and coinsurance) for your share of covered expenses. You must also pay any expenses that are not considered covered expenses (see page D-10 for information about what's not covered), including any amounts over the allowable charge (see page J-2 for the definition of an allowable charge) when you use non-network providers, or charges once a maximum benefit or limitation has been met.

See page B-2 for a summary of your cost-sharing.
Medical benefits

Deductibles—Applicable to Class I only
Your calendar year deductible applies to non-network expenses only. There is no deductible for network expenses. You only have to pay the deductible once each year. Once you have paid your deductible (sometimes called “satisfying your deductible”), you do not have to make any more payments toward your deductible for the rest of that year. The $400 individual deductible applies to each person covered by the Plan. However, once your $1,000 family deductible has been satisfied, no one else in your family has to pay deductibles for the rest of that year.

Your $400 individual and $1,000 family deductibles only apply to the medical benefits (including mental health and substance abuse benefits). Amounts you pay for prescription drugs, vision care, or dental care will not apply toward the deductibles. In addition, the deductibles do not apply to certain medical benefits. See page B-2 for which services require the deductible and which services are covered before you satisfy the deductible.

See page J-3 for more information about what a deductible is.

Copays
You pay copays for certain types of care (see page B-2). The copay covers all healthcare you receive during a network office visit or urgent care center visit. For example, you only pay one office visit copay for all healthcare you receive during the office visit, even if you received other services at the same time. However, depending on how your provider bills for services, you might have to pay an office visit copay, plus a copay for any bloodwork (laboratory services) you get.

In certain situations, you pay the cost-sharing (deductible, coinsurance, copay) required for each of the services you receive. Sometimes this means you pay both a copay and coinsurance. However, you will never be required to pay multiple copays - you pay the highest copay amount. This could apply when you go to an office, but don’t see the doctor or your doctor doesn’t bill an office visit. For example, if you have an ultrasound and a diagnostic imaging test during the same visit, you only pay the diagnostic imaging copay since it is the higher copay.

For emergency care in an emergency room, you pay the emergency room copay for all of the services you receive during the emergency room visit. You don’t have to pay any other copays. For example, if you have an MRI during your emergency room visit, you don’t have to pay the MRI copay.

If you are eligible for the Class I level of benefits and are admitted as an inpatient, the copay required for each day of an inpatient stay applies to all of the services you receive during your inpatient stay. You don’t have to pay copays for diagnostic imaging, x-rays, and ultrasounds you receive while an inpatient.

See page J-2 for more information about what a copay is.
Out-of-Pocket limit for network expenses

Your out-of-pocket cost-sharing (coinsurance, and copays) for most covered network medical (including mental health/substance abuse) expenses is limited to $5,000 per person ($10,000 per family) for Class I, and to $6,600 per person ($13,200 per family) for Class II, each calendar year. Once your out-of-pocket costs for covered expenses meet these limits, the Plan will usually pay 100% for your (or your family’s) network medical covered expenses during the rest of that calendar year. Under Class I benefits, a separate out-of-pocket limit applies to prescription drug expenses (see page D-15).

See page J-6 for more information about what an out-of-pocket limit is.

What’s covered

The Plan will only pay benefits for injuries or sicknesses that are not related to your job. Benefits are determined based on allowable charges for covered services resulting from medically necessary care and treatment prescribed or furnished by a healthcare provider. Covered services are subject to any applicable limits shown in the summary of benefits (see page B-2), or other applicable limitations discussed in your SPD (such as prior authorization).

- **Preventive healthcare services** (see page J-6) when a network provider is used. Non-network preventive healthcare services are not covered. However, non-hospital grade breast pumps (limited to one per pregnancy) and breast pump supplies will be covered when obtained from a non-network provider. The following limits apply to specific types of preventive healthcare (other limits may apply to other types of preventive healthcare based on your gender, age, and health status):
  - Cervical cancer screening (pap smears) once every 36 months for just the pap smear, or once every 60 months if both a pap smear and human papillomavirus screening are done together. Cervical cancer screenings are only covered for women from age 21 through age 64.
  - Routine mammogram screenings for women age 40 through 74 years are covered once each calendar year. Routine mammogram screenings are also covered once each calendar year for women under age 40, or age 75 and older, who are diagnosed as high risk for breast cancer.
  - Routine PSA (prostate-specific antigen) screening tests for men age 40 through 74 years are covered once each calendar year.

If you do not meet the criteria (frequency, age, or health status requirements) for preventive care, it may not be covered under the Plan and you will be responsible for 100% of the bill.

- **Professional services of a healthcare provider**.
- **Treatment of mental health/substance abuse disorders**, including inpatient and residential
Medical benefits

care, outpatient care, partial hospitalization, intensive outpatient programs, and ambulatory detoxification.

• **Chiropractic services** provided by a network provider, up to a total of 24 visits per person each year. Non-network chiropractic care is not covered.

• **Acupuncture services** provided by a network provider, up to a total of 24 visits per person each year. Non-network acupuncture is not covered.

• **Podiatric services:**
  ▶ Routine podiatric services provided by a network provider, up to a total of 4 visits per person each year. Non-network podiatric services are not covered.
  ▶ Non-routine podiatric services.
  ▶ *For Class I only:* Podiatric orthotics provided by a network provider, up to a total of $500 per person each year. Non-network podiatric orthotics are not covered.

• Treatment in a clinic or **urgent care center.**

• Transportation by a **professional ambulance service** to an area medical facility that is able to provide the required treatment. If you have no control over the ambulance getting called, for example when the ambulance is called by a healthcare provider, employer, law enforcement, school, etc., the ambulance will be considered medically necessary. Contact the Fund if you had no control over an ambulance being called.

• **Radiology services**, including x-rays, ultrasounds, and fetal monitoring.

• **Laboratory services**.

• **Diagnostic imaging**, including MRIs, MRAs, CAT/CT scans, CTA scans, cardiac CT scans, PET scans, cardiac catheterizations, echocardiograms, nuclear medicine, and nuclear cardiac imaging.

• **Cardiac testing.**

• **Ambulatory surgical facility services**, including general supplies, anesthesia, drugs, and operating and recovery rooms. If you have multiple surgical procedures performed through the same incision or natural body orifice during the same operative session, the Plan may pay a lesser amount than the Plan would have paid if the procedures been performed alone. Facility fees for surgical procedures that would normally be performed in a provider’s office are not covered. Class II benefits are limited to $900 per visit.

• **Physical and occupational therapy services.**

• **Speech therapy services.**

• **Radiation therapy.**
Medical benefits

- Chemotherapy and infusion services.
- Kidney dialysis services.
- **Hospital charges** for room and board, and other inpatient or outpatient services. Class II benefits are limited to $2,500 per admission.

- Treatment of **pregnancy** and pregnancy-related conditions, including childbirth, miscarriage, or abortion, for employees and spouses only. However, preventive healthcare services (see page J-6) for a dependent child’s pregnancy will also be considered a covered expense. Non-preventive healthcare services for a dependent child’s pregnancy, including but not limited to ultrasounds, charges associated with a high-risk pregnancy, abortions, and delivery charges will not be covered.

- **Sterilization procedures** for employees and spouses. For female dependent children, FDA-approved sterilization procedures that are considered preventive healthcare (see page J-6) are covered.

- **Mastectomies**, including reconstruction of the breast upon which the mastectomy is performed, surgery and reconstruction of the other breast to produce a symmetrical appearance, breast prostheses, and treatment of physical complications resulting from a mastectomy, including swollen lymph glands (lymphedema).

- **Medical services for organ transplants** if the following rules are all met:
  - The transplant must be covered by Medicare, including meeting Medicare’s clinical, facility, and provider requirements.
  - You must use any case management program recommended by the Fund or its representative.
  - You must get prior authorization for the transplant from the Fund or its representative.
  - Donor expenses for your transplant are only covered if the donor has no other coverage.
  - Transplant coverage does not include your expenses if you are the organ donor.

- **Jaw reduction**, open or closed, for a fractured or dislocated jaw.

- **Repair of injuries to sound, natural teeth** and supporting structures.

- **Skilled nursing facility care** provided by a network provider. Class II benefits are limited to $2,500 per admission.

- Network professional services for **diabetes education** and training for the care, monitoring, or treatment of diabetes. Non-network expenses are not covered.

- Network professional services for **nutrition counseling**, up to a total of 4 visits per person each year. Non-network expenses are not covered.
Medical benefits

- **Home healthcare services.**

- **Hospice** services and supplies if you are terminally ill.

- **Durable medical equipment,** and supplies, for all non-disposable devices or items prescribed by a healthcare provider, such as wheelchairs, hospital-type beds, respirators and associated support systems, infusion pumps, home dialysis equipment, monitoring devices, home traction units, and other similar medical equipment or devices. Non-network DME is not covered.
  - Rental fees are covered if the DME can only be rented, and the purchase price is covered if the DME can only be bought.
  - However, if DME can be either rented or bought, and if the rental fees for the course of treatment are likely to be more than the equipment’s purchase price, benefits may be limited to the equipment’s purchase price.
  - If DME is bought, costs for repair or maintenance are also covered.
  - Class II benefits are limited to covered expenses required by federal law, such as non-hospital grade breast pumps.

- **Prosthetics.** Class II benefits are limited to covered expenses for prosthetics as required by federal law, such as breast prostheses.

- **For Class I only:** **Orthotics,** other than podiatric orthotics (see podiatric services on page D-6).

- **For Class I only:** **Sleep studies.**

- **Habilitative therapy** for children with autism spectrum disorder (only for treatment that begins between June 1, 2015 and May 31, 2018). **You, or your provider, must get prior authorization for habilitative therapy before the Plan pays benefits.** Plan benefits are limited to 30 hours per person each week, and up to 36 months starting on the first day the Plan pays for a habilitative therapy visit, for network and non-network services combined. “Habilitative therapy” includes applied behavioral analysis (ABA) therapy and similar types of treatment. It does not include physical, speech, or occupational therapy.
  - Your child must be at least 2 years old, but no more than 8 years old.
  - Your child must have a diagnosis of autism spectrum disorder, and have a prorated mental age of at least 11 months.
  - The provider supervising the habilitative therapy must be certified by the Behavioral Analyst Certification Board (BACB) as a Board Certified Behavior Analyst or Board Certified Behavior Analyst Doctorate (or is otherwise licensed to supervise this type of treatment).
  - The person providing the habilitative therapy must be certified by the BACB as a Board...
Medical benefits

Certified Assistant Behavioral Analyst or Registered Behavioral Technician (or is otherwise licensed to provide this type of treatment).

- The Plan will only pay benefits for services supplemental to any therapy for which your child is eligible through his or her school or school district. No benefits will be paid for therapy provided through the school or school district.

- The habilitative therapy and treatment plan must get prior authorization from the Fund before treatment begins. The treatment notes and treatment plan must be reviewed by the Fund at least twice a year, and must show that:
  - Your child is demonstrating improvement.
  - You are trained to, and do, participate in the habilitative therapy.
  - You follow the treatment plan.

- No Plan benefits will be paid for a course of habilitative therapy that starts on or after June 1, 2018.

- For Class I only: Medical foods if you have an inborn error of metabolism (IEM). You must get prior authorization for your medical food costs before the Plan will reimburse you. The Plan will reimburse 100% of your costs for medical foods. To be reimbursed, the medical food must be: (1) ordered by and used under the supervision of a healthcare provider; (2) the primary source of your nutrition; and (3) labeled and used for dietary management of your IEM.

- For Class I only: Reimbursement for travel, lodging, and meal costs for transportation to get certain treatment more than 50 miles away from your home (as long as you travel within the United States). You must get prior authorization for these expenses before the Plan will reimburse you. Covered expenses only include travel, lodging and meal costs related to: (1) transplants, (2) cancer-related treatments, and (3) congenital heart defect care. The following rules apply:
  - The travel, lodging, and meal costs of one other person traveling with you will also be covered. (Two other people will be covered if the patient is a minor child.)
  - Reimbursement is limited to $10,000 per episode of care for you and your traveling companion(s) combined. This includes up to $250 each day for lodging and meal costs.
  - You must provide the Plan with your original receipts.
  - You must participate in any case management programs required by the Fund.
  - You cannot get reimbursed for expenses related to your participation in a clinical trial, or for an organ transplant if you are donating an organ instead of getting an organ.

More details about the benefit are available upon request.
**Medical benefits**

- **Anesthesia** and its administration.
- **Blood and blood plasma** and their administration.
- **Surgical supplies, surgical dressings, casts, splints, and trusses.**
- Treatment of **tumors, cysts and lesions** not considered a dental procedure.
- Charges made by a hospital or other facility for dental procedures covered under the dental benefit provisions (see the dental benefits sections), will be covered if the procedure requires the patient to be treated in an institutional setting to safely receive the care. For example, if you suffer from a medical or behavioral condition, such as autism or Alzheimer’s, that severely limits your ability to cooperate with the dentist providing the care, charges made by a hospital or other facility will be considered a covered expense. Benefits for other types of dental care may be covered under the dental benefit as described in the dental section.

**What’s not covered**

See page E-2 for a list of the Plan’s general exclusions and limitations. In addition to that list, the Plan will not pay benefits for, or in connection with, the following medical treatments, services, and supplies:

- Ambulatory surgical facility fees for procedures normally performed in a provider’s office.
- Prescription drugs and medications, other than those administered or consumed where they are dispensed. Prescription drugs may be covered under the prescription drug benefit shown on page D-14.
- Alveolar ridge augmentation or implant procedures, whether of natural or artificial materials, to stabilize or otherwise alter natural or artificial teeth.
- Dental extractions.
- Treatment of temporomandibular joint (TMJ) disorders, craniofacial disorders or orthognathic disorders, unless UNITE HERE HEALTH or its representative provides written prior approval, and then only for the following conditions:
  - Severe rheumatoid arthritis involving multiple joints in which there is significant pathology.
  - Traumatic injuries causing disk rupture or ligament perforations.
  - Removal of prosthetic devices when their presence creates clear medical risk to the patient.
- Surgery to modify jaw relationships including, but not limited to, osteoplasty and genioplasty procedures. However, LeFort-type operations are covered when primarily to repair birth defects of the mouth, conditions of the mid-face (over or under development of facial features), or damage caused by accidental injury.
Medical benefits

- Private duty nursing services.
- Hearing aids. Hearing aids are covered under the hearing aid benefit shown on page D-23.
- Eye exams, refractions, eyeglasses or dental prosthetic appliances, unless required for the treatment of an accidental injury. However, these services may be covered under the vision or dental benefits.

*For Class II only:*
  - Medical foods.
  - Durable medical equipment, orthotics, or prosthetics, except as specifically covered under the Plan.
  - Sleep studies.
  - Treatment services and supplies received from non-network providers, except as specifically covered under the Plan.
  - Travel, lodging, and meal expenses.
Learn:

- What you pay for your covered prescription drugs.
- How the out-of-pocket limit protects you from high-cost prescription drugs.
- How you can save money by using generic prescription drugs.
- What types of prescription drugs the Plan covers.
- How the safety and cost containment programs help save you money and help protect your health.
- How much of a prescription drug you can get at one time.
- What the mail-order pharmacy is and how to use it.
- What the specialty order pharmacy is and when you must use it.
- What types of prescription drugs are not covered.
This benefit is available under Class I. Under Class II (including certain pensioners and retirees), this benefit is limited to preventive healthcare drugs and supplies.

The Plan has contracted with Hospitality Rx, LLC (Hospitality Rx) to administer your prescription drug benefits.

Hospitality Rx provides access to a select national network of participating pharmacies (called the True Choice network) that you must use in order to get benefits for prescription drugs. Not all pharmacies are in your pharmacy network. CVS is in your network. Walgreens, Duane Reade, Wal-Mart, USA Drugs, and certain independent local pharmacies are not in your network. Because this list changes from time to time, contact Hospitality Rx at (844) 813-3860 or go to www.hospitalityrx.org to get the most current list of network pharmacies.

If you use a pharmacy not in your network, you will have to pay 100% of the cost of the prescription drug. The Plan will not reimburse you for the cost of any prescription drugs you buy at a non-network pharmacy.

Preferred brand name drugs are safe, effective, high-quality drugs. You pay less for these brand name drugs than you do for non-preferred brand name drugs. Drugs may be added to or removed from the list of preferred drugs from time to time. Contact Hospitality Rx at (844) 813-3860 if you or your healthcare provider have questions about which prescription drugs and supplies are on the list of preferred drugs.

You must use the specialty pharmacy to get specialty and biosimilar prescription drugs. See page D-19 for more information about the specialty pharmacy.

Prescription drug out-of-pocket limit—Applicable to Class I only

Your cost-sharing (copays and coinsurance) for most network prescription drug covered expenses is limited to $1,600 per person ($3,200 per family) each calendar year. Once your out-of-pocket costs for covered expenses meet these limits, the Plan will usually pay 100% for your (or your family’s) network prescription drug expenses during the rest of that calendar year.

Certain prescription drug expenses don’t count toward your out-of-pocket limit. This includes any amounts you must pay in addition to your copay when you or your doctor chooses a brand name drug when a generic equivalent is available (see “Generic prescription drug policy” below), and any surcharges you pay for early refills. These expenses do not count toward your out-of-pocket limit and you will continue to be responsible for these expenses even if you have met the out-of-pocket limit for the year.

You can get more information about your out-of-pocket limits on page D-5 and page J-6.
Generic prescription drug policy

If you or your provider choose a brand name prescription drug when you could get a generic equivalent instead, you pay the difference in cost between the brand name prescription drug and the generic equivalent. For example, if the brand name prescription drug costs $80, and the Fund’s cost for the generic equivalent is $30, you must pay the $50 difference. You will also have to pay the generic prescription drug copay.

The generic prescription drug policy does not apply to certain prescription drugs that need to be closely monitored, or if very small changes in the dose could be harmful. The prescription drugs that are not subject to the generic prescription drug policy change from time to time. You can get up-to-date information by calling Hospitality Rx. This rule will also not apply if the prior authorization program makes an exception. Your healthcare provider will need to get prior approval for this exception to apply to your prescription drugs.

If you are approved for an exception to the generic prescription drug policy, you will still have to pay the applicable preferred or non-preferred copay.

What’s covered

The Plan pays benefits only for the types of expenses listed below:

- FDA-approved prescription drugs which can legally be purchased only with a written prescription from a healthcare provider. This includes oral and injectable contraceptives and drugs mixed to order by a pharmacist, as long as at least one part of the mixed-to-order drug is an FDA-approved prescription drug.

- The following diabetic supplies: insulin, diabetic test strips, control solution for glucometers, disposable syringes and needles, and lancets.

- Prescription and non-prescription (over-the-counter) preventive healthcare services and supplies, including immunizations (see page J-6).

- The following single-source vitamins: ferrous sulfate, vitamin D, cyanocobalamin, vitamin K, potassium chloride, bicarbonate, phosphate, calcium acetate, niacin, and Galzin (zinc).

Free glucometers

You can get a free glucometer every 12 months by calling either of the following phone numbers:

- (866) 788-9618 for TrueMetrix (by Trividia)  
  no order code is needed

- (888) 883-7091 for OneTouch (by LifeScan)  
  or visit www.OneTouch.orderpoints.com  
  use order code 739WDRX01
If you don’t want to use one of the Fund’s free glucometers, you have to pay the full cost of the glucometer upfront. You may submit a claim under the medical benefits for the glucometer, but you may not be reimbursed for the full amount (see the cost-sharing required for durable medical equipment on page B-4).

**Safety and cost containment programs for prescription drugs**

The Fund provides extra protection through several safety and cost containment programs. These programs may change from time to time, and the prescription drugs or types of prescription drugs that are part of these programs may also change from time to time. You and your healthcare provider can always get the most current information by contacting Hospitality Rx at (844) 813-3860 or visiting www.hospitalityrx.org.

Safety and cost containment programs help make sure you and your family get the most effective and appropriate care. These programs look at whether a prescription drug is safe for you to take. For example, some prescription drugs cannot be taken together. Safety programs help make sure you are not taking two prescription drugs in a combination that could harm you.

The programs also can help make sure your money is not wasted on prescription drugs that do not work for you. For example, some prescription drugs cause serious side effects in some patients. By limiting your prescription to a limited number of pills, you can make sure the prescription drug is safe for you to take before you pay for a large supply of pills you will have to throw away if you get serious side effects.

See page I-9 for information about appealing a denied request for prior authorization or appealing a denial of prescription drug benefits.

**Prior authorization**

If you have a prescription for certain drugs, your healthcare provider will need to provide your medical records to show that the prescription drug is clinically appropriate for your medical situation. The list of prescription drugs that require prior authorization changes from time to time. Call Hospitality Rx at (844) 813-3860 for a list of drugs on the prior authorization list, or to get prior authorization for a drug.

Prior authorization is also required for any requests for early refills, and any prescription drug which the U.S. Food and Drug Administration (FDA) is reviewing for known or potential serious risks under a risk evaluation and mitigation strategy.

**Step therapy**

In many cases, effective lower-cost alternatives are available for certain prescription drugs. A step therapy program will ask you to try over-the-counter, generic, or preferred formulary versions of prescription drugs first. If the first level of prescription drugs does not work for you, or causes serious side effects, you are “stepped up” to another level of prescription drugs.
Prescription drug benefits

For example, if you need an ARB (angiotensin receptor blocker)—used to treat high blood pressure—you may first be asked to try a generic version. If the generic version does not work or causes serious side effects, you may be asked to try a preferred formulary version. If this still does not work, you may be asked to try a non-preferred formulary version.

The list of prescription drugs that require step therapy changes from time to time. Contact Hospitality Rx at (844) 813-3860 with questions about which prescription drugs require step therapy.

Case management

The pharmacy case managers may contact you if you take high-cost or specialty drugs or have a chronic long-term health condition. This program will help you make sure you are taking your prescription drugs the way you are supposed to take them. The case managers can also help you manage and monitor your condition, and answer questions about your prescription drugs.

Be sure you talk with the case managers if they reach out to you!

Fill and refill limits

Quantity limits

Each prescription fill or refill is limited to the lesser of a 34-day supply or the amount prescribed by your healthcare provider. You will be able to get refills if your provider prescribes more than a 34-day supply. However:

- Birth control drugs that are only available in 90-day quantities (such as Seasonale®) or that use a steady hormone release over time (such as NuvaRing®) will be filled based on one application or one unit, as applicable.

- Male impotence drugs are limited to 6 applications per month and to a 3-month initial supply.

- If you use the mail-order pharmacy, you can get up to a 60-day supply at a time.

- If a safety or cost containment program limits the drug to a smaller quantity, the drug will only be filled up to the amount allowed under that program.

You generally cannot refill a prescription earlier than allowed under any applicable guidelines, safety or cost containment programs, or other Plan rules, but in some cases, you may be able to refill a prescription sooner than is usually allowed. For example, you may get an early refill if:

- You show you will be out of the country when you will run out of a prescription drug.

- Your drug is lost or stolen.

- You run out of a drug too soon because you misunderstood the instructions or accidentally used too much (limited to one early refill per lifetime for that drug).
Prescription drug benefits

An early refill is subject to the quantity limits explained above, plus the refill quantity will not exceed the time for which you are eligible for benefits. The Fund may apply a surcharge of up to $50 (or the cost of the drug, if less) in addition to the applicable copay after the first early refill of a drug each year, and you may be required to participate in the pharmacy case management program.

Call Hospitality Rx at (844) 813-3860 if you need an early refill of a drug.

Exceptions to the standard quantity limits

There are certain prescription drugs that many providers prescribe at higher dosages (for example, more pills taken at one time or more often during the day) than approved by the FDA. Coverage for these prescription drugs will be limited to a 30-day supply. To help protect you and your family, in these situations you may get a smaller supply of a prescription drug than as described in the previous section.

You or your healthcare provider can call for information about these quantity limits. Your healthcare provider may also call to get an exception to these rules.

Mail-order pharmacy

You can save money by using Hospitality Rx's mail-order pharmacy: WellDyneRx Home Delivery. If you need a prescription drug to treat a chronic, long-term health condition, you can order these prescription drugs through the mail-order pharmacy. You can get up to a 60-day supply of your prescription drug (sometimes called a “maintenance” prescription drug) for the same copay you would pay for a 34-day supply at a retail pharmacy.

You can order from the mail-order pharmacy by mail, by phone, or on the internet.

WellDyneRx Home Delivery
(844) 813-3860
www.mywdrx.com
(Registration is required)

Specialty pharmacy

You must use the specialty pharmacy to purchase all specialty prescription drugs. The only exception is for drugs prescribed to treat HIV/AIDS. You should go to the specialty pharmacy for these drugs, but you can get these drugs from any network pharmacy.

The specialty pharmacy provides prescription drugs for certain chronic or difficult to treat health conditions, such as multiple sclerosis (MS) or Hepatitis C. Specialty prescription drugs often need to be handled differently than other prescription drugs, or they may need special administration or monitoring. Using the specialty pharmacy gives you access to pharmacists and other health-care providers who specialize in helping people with your condition. The specialty pharmacy staff
can help make sure your prescription gets refilled on time, and can answer questions about your prescription drugs and your condition.

Walgreens Specialty Pharmacy  
(877) 647-5807

Walgreens Specialty Mail Order pharmacy is different than Walgreens retail pharmacies. Walgreens retail pharmacies (brick and mortar buildings) are still out of network.

What’s not covered

See page E-2 for a list of the Plan’s general exclusions and limitations. In addition to that list, the following types of prescription drug treatments, services, and supplies are not covered under the prescription drug benefit:

- Prescription drugs that have not been approved by the FDA. However, the Fund may cover prescription drugs not approved by the FDA in certain situations. You or your healthcare professional may ask for an exception through the prior authorization program.
- Specialty prescription drugs, other than those used to treat HIV/AIDS, if you do not use the specialty pharmacy.
- Experimental or investigational drugs.
- Fertility drugs.
- Prescriptions or refills in amounts over the quantity limits (see page D-18).
- Non-sedating antihistamines or histamine receptor blockers.
- Over-the-counter proton pump inhibitors.
- Vitamins, dietary supplements, or dietary aids, except those specifically listed as a covered expense.
- New-to-market prescription drugs until the Fund or its representative has reviewed and approved the prescription drug.
- High-cost “me too” drugs, unless the Fund or its representative approves an exception through the prior authorization program. “Me-too” drugs usually have only very small differences in how they work, but are considered “new” drugs with no generic equivalent. Often, the manufacturer charges high prices for these drugs even though there are other drugs available that work just as well for a lower cost.
- Drugs that require review under a safety or cost containment program (such as a drug that requires prior authorization, or a drug subject to the step therapy program) if that safety or cost containment program is not followed, or does not approve the drug.
Prescription drug benefits

- Drugs, medications, or supplies that are not for an FDA-approved indication, that are not covered under the Plan's or Plan’s designee’s claims processing guidelines or any other internal rule, including but not limited to any national guidelines used by the medical community.

- Glucometers, other than those the Fund gives to you for free. You may be able to get a glucometer through the medical benefits if you do not want to use one of the free ones, but you will usually have to pay part or all of the cost.

- Rogaine and other drugs to prevent hair loss.

- Drugs or medications used, consumed or administered at the place where it is dispensed, other than immunizations. (These drugs may be covered under your medical benefits.)

- Diagnostics or biologicals.

- Drugs used for cosmetic reasons.

- Weight control drugs, unless for the treatment of morbid obesity under the direct supervision of a healthcare provider, and authorized in writing by the Plan.

- Human growth hormone, except to treat emaciation due to AIDS.

- Drugs or other covered supplies not purchased from a network pharmacy.

- Medical foods (medical foods may be covered under the medical benefit - See page D-8).

- For Class II: All expenses other than covered expenses considered preventive healthcare services (see page J-6).
Hearing aid benefit

Learn:

- What the Plan pays.
- What types of services and supplies aren’t covered.
Hearing aid benefit

This benefit is available under Class I only.

The Plan provides benefits for hearing aids prescribed by any licensed hearing healthcare professional, including an audiologist, otologist, or otolaryngologist. You must get services while covered under the Plan. If you are examined and a hearing aid is ordered, but your eligibility ends before you get the hearing aid, no benefits are payable unless the hearing aid is delivered within 60 days of your exam and no more than 30 days after your coverage ends.

</tbody>
</table>

**What the Plan pays**

Benefits for a hearing aid are payable up to a maximum of $500 per benefit period. The benefit period starts with the date the hearing aid is delivered.

**What’s not covered**

*See page E-2 for a list of the Plan’s general exclusions and limitations. In addition to that list, the following treatments, services, and supplies are not covered under the hearing aid benefit:*

- Hearing examinations.
- Hearing aids not prescribed by a licensed healthcare professional.
- Services for speech pathology, speech readings, or lessons in lip reading.
- Rental or purchase of amplifiers.
- Replacement of a hearing aid for any reason within 24 months of delivery.
- Hearing aid repair.
- Hearing aid batteries.

- What types of dental care are not covered.
Dental benefits

This benefit is available under Class I and Class II.

UNITE HERE HEALTH has contracted with EmblemHealth to provide dental benefits for you and your dependents. Your dental benefits are provided under the terms of an insurance contract underwritten by Group Health Incorporated (GHI) and administered by EmblemHealth. If there is a conflict between this summary and the terms of the insurance contract, the insurance contract governs. Contact EmblemHealth at (800) 624-2414 if you have any questions about your dental benefits or to obtain a certificate of insurance.

Network vs. non-network providers

The Plan pays benefits based on whether you get treatment from a network provider or a non-network provider. If you use a provider in the EmblemHealth Dental Preferred network, you may pay less for your dental care. Using a non-network dentist may cost you more.

To locate a network provider near you, contact:

EmblemHealth
toll free: (800) 624-2414
www.emblemhealth.com

What you pay

When you use a network provider, preventive services like cleanings and x-rays and certain restorative services like a simple filling are covered at no cost to you. For other covered services, you have to pay a percent of the allowable charge (coinsurance).

When you use a non-network provider, the Plan pays the dentist’s charge up to a maximum bene-
fit for each covered dental service (sometimes called a fee-for-service benefit). You are responsible for any amounts over the Plan’s maximum benefit up to the dentist’s charge.

Whether you use a network or a non-network provider, you must also pay any expenses that are not considered covered expenses. See page D-29 for information about what’s not covered.

**Maximum benefits**

**Dental care maximum benefit for non-orthodontic care**

The Plan pays up to $1,500 per person each year, including up to $1,000 for non-network services. Once the Plan pays the maximum for your dental care during a benefit year, the Plan will not pay any more benefits for your dental care for the rest of that benefit year.

**Orthodontic care maximum benefit**

Orthodontic care is only covered for dependent children under age 19. The Plan pays 100% of the first 20 months of active comprehensive orthodontic treatment, up to a lifetime maximum of $500 per covered dependent child for network orthodontic care. Once the $500 maximum is reached, the Plan will not pay any more benefits for the child’s orthodontic care.

**Predetermination of dental benefits**

Predetermination of benefits is a process you can use to have EmblemHealth review and estimate benefits before you get certain services. If your dentist recommends oral surgery, prosthetic services, appliances, or orthodontic services, you can ask for a predetermination of benefits. This step protects you and your dentist. You will know in advance how much the Plan will pay for your dental treatment, as long as you are still eligible for benefits. Predetermination of benefits is not available for preventive and diagnostic services or basic restorative services.

Predetermination of benefits does not guarantee what benefits the Plan will pay or that any benefits will be paid for dental treatment or services provided. As always, any treatment decisions are between you and your dentist. Contact EmblemHealth at (800) 624-2414 for more information about how to get a predetermination of benefits.

**What’s covered**

The Plan covers dental services that are medically necessary, in accordance with accepted standards of dental practice, and included as covered services under the policy with EmblemHealth. There are limits on how often certain services are covered. There may also be age limits for certain services, and other limitations may apply. Some of the most common covered services are shown below. For more information, or for a complete list, contact EmblemHealth.
Dental benefits

- Preventive and diagnostic services.
  - Prophylaxes (cleanings) and exams—2 every calendar year.
  - X-rays—4 bitewing x-rays every calendar year. 1 full-mouth series or 1 panoramic film once every 3 years.
  - Fluoride treatments for dependent children until the end of the calendar year the child turns 19—1 every calendar year.
  - Sealants—1 per tooth, every 3 years from age 6 to age 14.
  - Space maintainers for dependent children until the end of the calendar year the child turns 19—1 per lifetime.
  - Mouth guards for dependent children until the end of the calendar year the child turns 19—1 per lifetime.

- Basic restorative services.
  - Simple extractions.
  - Basic restorations (fillings).
  - Palliative services (relief of pain)—1 service per calendar year, emergencies only.
  - Repair of dentures—replacement of broken teeth or clasps, recementation of inlays, crowns, bridges, and space maintainers, replacement of broken facings.
  - Tests and laboratory exams (biopsy and examination of oral tissue).

- Major restorative services.
  - Endodontics (root canal therapy).
  - Periodontics (treatment of diseases of the gum and jaw)
    - 5 periodontal treatments per calendar year.
    - 1 type of periodontal surgery and 1 graft per quadrant.
  - Oral surgery.
  - Anesthesia and IV sedation.
  - Fixed and removable prosthetics—immediate and permanent dentures, full or partial, repair, and crowns over implants.
    - Replacement or substitution of appliances covered only after 5 years since appliance was inserted.

- Orthodontics for dependent children until the end of the month the child turns 19.
What’s not covered

The following types of dental treatments, services, and supplies are not covered:

- Cosmetic surgery or treatment, unless otherwise medically necessary.
- Services for which no charge is incurred.
- Services that do not conform to accepted standards of dental practice, or that are considered experimental.
- Services not listed as covered in the EmblemHealth policy.
- Services covered under the law of any state or the United States (for example, Medicaid).
- Any service for which automobile no fault insurance benefits are recovered or recoverable.
- Services rendered by a member of your immediate family.
- Care for any injury, condition, or disease if payment is available under a Workers’ Compensation or similar legislation.
- Clinical laboratory services, x-ray, or imaging services or other services provided pursuant to a referral prohibited by Section 238-a(1) of the New York State Public Health law. This law prohibits your dentist from making referrals for such services to providers in which your dentist, or a member of their immediate family, has a financial interest.
- Charges for items and services used or provided by dentists to comply with federal, state, and local laws and regulations, unless specifically listed as covered in the policy.
- Prescription drugs and medications (Prescriptions may be covered under your prescription drug benefits—see page D-13).
- When a more costly material or service is substituted for a less costly material or service having the same function, the allowance for the less costly material or service will be applied.
- Services rendered for any injury or condition due to war or any act of war, whether declared or undeclared.
- Services or supplies for the treatment of temporomandibular joint (TMJ) dysfunction syndrome.
- Costs incurred for behavioral management are not covered (hospital or facility charges may be covered under the medical benefits — see page D-10).
Vision benefits

</table>

### Network and non-network vision providers

The Plan pays benefits based on whether you get treatment from a network provider or a non-network provider.

To locate a network provider near you, contact:

**Davis Vision**

toll free: (800) 999-5431

[www.davisvision.com](http://www.davisvision.com)

(REGISTER FOR DETAILED INFORMATION)

If you choose a network provider, you can also get discounts on frames and contacts that are not in the Davis Vision collection.

All services must be received by a network provider, unless you or your covered dependent live outside the states of New York, New Jersey, Pennsylvania, and Florida. If you live outside these states and choose an out-of-area provider, you must pay the provider directly and then submit a claim for reimbursement (see page I-3 for details). You can submit one claim per service each benefit period (24 months).

You can split your benefits by receiving your eye exam, lenses and frame or contact lenses on different dates or through different provider locations. Though, Davis Vision recommends getting all services from one network provider to maximize your benefit value.
What you pay
You pay nothing for covered eye exams, and standard spectacle lenses and frames. You pay for any expenses the Plan does not cover, including costs that are more than any maximum benefit or allowance. You may get discounts for any amounts over the Plan’s network allowance.

Upgrade options through network providers
If you use a network provider, you can get certain upgrades or options for a discounted fixed fee (in addition to any basic copay). Upgrades and options include, but may not be limited to, premier collection frames, progressive lenses, scratch protection plans, anti-reflective coatings, ultraviolet coating, polycarbonate lenses, high index lenses, and polarized and photosensitive lenses. Get your questions about upgrades and options answered by contacting Davis Vision, or by asking your network provider. Your cost for an upgrade depends on which upgrade(s) you pick.

What the Plan pays
The Plan pays 100% of covered expenses, up to the maximum benefit and allowance shown. If you live outside of New York, New Jersey, Pennsylvania, or Florida, and use a non-network provider, the Plan only pays up to the maximum shown in the table for your vision care (you pay any charges over the maximums). However, any amounts the Plan pays for vision exams for children under age 5 will not count toward the $100 maximum benefit for non-network services. If you live in New York, New Jersey, Pennsylvania, or Florida, the Plan will not pay for non-network services.

What’s covered
Benefits are available every 24 months, measured from the first day of the month during which the covered expense was last incurred (the last date of service). For example, if you have an exam and get glasses on January 15, 2018, the next time the Plan would cover your exam and lenses would be January 1, 2020.

- Exams, consultations, or treatment by a licensed vision care professional (including dilation when professionally indicated).

- Plastic or glass lenses, including single vision, bifocal lenses, trifocal lenses, in any prescription range, including:
  - Glass grey #3.
  - Oversize lenses.
  - Post-cataract lenses.
  - Fashion tinting of plastic lenses or gradient tints.
Vision benefits

- Polycarbonate lenses for dependent children, monocular patients, and patients with prescriptions of +/- 6.00 diopters or greater.
- Scratch-resistant coating.
- Frames.
- Standard contact lenses (soft, daily-wear, disposable, or planned replacement) in lieu of glasses.
  - Disposable contact wearers will receive two or four boxes/multi-packs of disposable contact lenses.
  - Planned replacement contact wearers will receive two boxes/multi-packs of contact lenses.
- Medically necessary contacts, with prior authorization from Davis Vision.

What’s not covered

See page E-2 for a list of the Plan’s general exclusions and limitations. In addition to that list, the following vision treatments, services, and supplies are not covered under the vision benefits:

- Non-prescription lenses.
- Any type of lenses, frames, services, supplies, or options that are not specifically listed as covered, or that are not covered under the Davis Vision contract.
- Two pairs of glasses instead of bifocals.
- Contacts and eyeglasses during the same benefit cycle.
- Replacement of lost or broken lenses or frames before the beginning of the next benefit period. Davis Vision may include a breakage warranty. Contact Davis Vision for more information.
- Medical treatment of eye disease or injury (may be covered under “Medical benefits”).
Employee Assistance Program (EAP)

Employee Assistance Program (EAP)

This benefit is available under Class I and Class II (including certain pensioners and retirees). UNITE HERE HEALTH has contracted with Optum to administer the Employee Assistance Program for you and your dependents.

<table>
<thead>
<tr>
<th>Employee Assistance Program</th>
</tr>
</thead>
<tbody>
<tr>
<td>Telephonic Counseling Sessions</td>
</tr>
<tr>
<td>Face-to-face Counseling Sessions, including individual or group sessions and virtual teleEAP sessions</td>
</tr>
</tbody>
</table>

The Employee Assistance Program provides help with personal and work place problems at no cost to you. Sessions can be in person (including virtual visits using video-conferencing), or by telephone, and can address a wide range of concerns, including substance abuse, work or family conflicts, stress, depression, and grief counseling.

To get more information about the EAP, find network providers, or get help 24 hours a day, 7 days a week, contact:

**Optum**
toll free: *(866) 248-4094*
[www.liveandworkwell.com](http://www.liveandworkwell.com)(Enter the access code “UHH”)

**What’s covered**

Counseling services available through the EAP include:

- Access to a 24-hour toll-free hotline and intervention service.
- Assessment services.
- Short-term counseling sessions, in-person and over the telephone. In-person sessions (including virtual sessions) are limited to 5 sessions per person each calendar year.
- Referral to community resources for legal, tax, eldercare, and childcare problems.
- Access to online tools and resources.
What’s not covered

No EAP benefits are provided for:

- Services not provided through Optum.
- Face-to-face counseling sessions after you meet the limit of 5 sessions per person each calendar year. (Additional counseling services are covered under the medical benefits, and may require cost-sharing.)
- Services provided after your eligibility for coverage ends.
Life and AD&D benefits

Learn:

- What your life insurance benefit is.
- How you can continue your coverage if you are disabled.
- How to convert your life insurance to an individual policy if you lose coverage.
- What your AD&D benefit is.
- How to tell the Fund who should get the benefit if you die.
- How to file a claim for life or AD&D benefits.
- Additional benefits under the life and AD&D benefit.
Life and AD&D benefits

This benefit is available under Class I and Class II

Life and AD&D benefits are for employees only. Dependents are not eligible for life and AD&D benefits.

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

Life insurance and AD&D insurance benefits are provided under an insured group insurance policy issued to UNITE HERE HEALTH by Dearborn National. The terms and conditions of your (the employee’s) life and AD&D insurance coverage are contained in a certificate of insurance. The certificate describes, among other things:

- How much life and AD&D insurance coverage is available.
- When benefits are payable.
- How benefits are paid if you do not name a beneficiary or if a beneficiary dies before you do.
- How to file a claim.

The terms of the certificate are summarized below. If there is a conflict between this summary and the certificate of insurance, the certificate governs. You may request a copy of the certificate of insurance, free of charge, by contacting the Fund at (866) 261-5676.

Life insurance benefit

Your life insurance benefit ($10,000 for Class I; $6,000 for Class II) will be paid to your beneficiary(ies) if you die while you are eligible for coverage or within the 31-day period immediately following the date coverage ends.

Continuation if you become totally disabled

If you become totally disabled before age 62 and while you are eligible for coverage, your life benefit will continue if you provide satisfactory proof of your total disability. Your life benefits will continue until the earlier of the following dates:

- Your total disability ends.
- You fail to provide satisfactory proof of continued disability.
- You refuse to be examined by the doctor chosen by UNITE HERE HEALTH.
- Your 70th birthday.
For purposes of continuing your life insurance benefit, you are totally disabled if an injury or a sickness is expected to prevent you from engaging in any occupation for which you are reasonably qualified by education, training, or experience and your total disability is expected to last for at least 12 months.

You must provide a completed application for benefits plus a doctor's statement establishing your total disability. The form and the doctor's statement must be provided to UNITE HERE HEALTH within 12 months of the start of your total disability. (Forms are available from UNITE HERE HEALTH.) UNITE HERE HEALTH must approve this statement and your total disability form. You must also provide a written doctor's statement every 12 months, or as often as may be reasonably required based on the nature of the total disability. During the first two years of your disability, UNITE HERE HEALTH has the right to have you examined by a doctor of its choice as often as reasonably required. After two years, examinations may not be more frequent than once a year.

**Converting to individual life insurance coverage**

If your insurance coverage ends and you don't qualify for the disability continuation just described, you may be able to convert your group life coverage to an individual policy of whole life insurance by submitting a completed application and the required premium to Dearborn National within 31 days after the date your coverage under the Plan ends.

Premiums for converted coverage are based on your age and the amount of insurance you select. Conversion coverage becomes effective on the day following the 31-day period during which you could apply for conversion if you pay the required premium before then. For more information about conversion coverage, contact Dearborn National.

**Dearborn National**

1020 31st Street  
Downers Grove, IL 60515  
(800) 348-4512

**Terminal Illness Benefit**

If you have a terminal illness (an illness so severe that you have a life expectancy of 24 months or less or if you are continuously confined in an eligible institution, as defined by Dearborn National, because of a medical condition and you are expected to remain there until your death), your life insurance pays a cash lump sum up to 75% of the death benefit in force on the day you were diagnosed with a terminal illness. The remaining portion of your death benefit will be paid to your named beneficiaries after your death. Certain exceptions may apply. See your certificate or call Dearborn National for more details.
Life and AD&D benefits

Accidental death & dismemberment insurance benefit

If you die or suffer a covered loss within 365 days of an accident that happens while you are eligible for coverage, AD&D benefits will be paid as shown below. However, the total amount payable for all losses resulting from one accident is $5,000.

<table>
<thead>

</table>

AD&D exclusions

AD&D benefits do not cover losses resulting from or caused by:

- Any disease, or infirmity of mind or body, and any medical or surgical treatment thereof.
- Any infection, except an infection of an accidental injury.
- Any intentionally self-inflicted injury.
- Suicide or attempted suicide while sane or insane.
- While you are under the influence of narcotics or other controlled substances, gas or fumes.
- A direct result of your intoxication.
- Your active participation in a riot.
- War or an act of war while serving in the military, if you die while in the military or within 6 months after your service in the military.

See your certificate for complete details.

Additional accidental death & dismemberment insurance benefits

The additional insurance benefits described below have been added to your AD&D benefits. The full terms and conditions of these additional insurance benefits are contained in a certificate made available by Dearborn National. If there is a conflict between these highlights and the certificate, the certificate governs.
Life and AD&D benefits

- **Education Benefit**—If you have children in college at the time of your death, your additional AD&D coverage pays a benefit equal to 3% of the amount of your life insurance benefit, with a maximum of $3,000 each year. Benefits will be paid for up to four years per child. If you have children in elementary or high school at the time of your death, your additional AD&D coverage pays a one-time benefit of $1,000.

- **Seat Belt Benefit**—If you are wearing a seat belt at the time of an accident resulting in your death, your additional AD&D coverage pays a benefit equal to 10% of the amount of your life insurance benefit, with a minimum benefit of $1,000 and a maximum benefit of $25,000. If it is not clear that you were wearing a seat belt at the time of the accident, your additional AD&D coverage will only pay a benefit of $1,000.

- **Air Bag Benefit**—If you are wearing a seat belt at the time of an accident resulting in your death and an air bag deployed, your additional AD&D coverage pays a benefit equal to 5% of the amount of your life insurance benefit, with a minimum benefit of $1,000 and a maximum benefit of $5,000. If it is not clear that the air bag deployed, your additional AD&D coverage will only pay a benefit of $1,000.

- **Transportation Benefit**—If you die more than 75 miles from your home, your additional AD&D coverage pays up to $5,000 to transport your remains to a mortuary.

Naming a beneficiary

Your beneficiary is the person or persons you want Dearborn National to pay if you die. Beneficiary designation forms are available on [www.uhh.org](http://www.uhh.org) or by calling the Fund. You can name anyone you want and you can change beneficiaries at any time. However, beneficiary designations will only become effective when a completed form is received.

If you don’t name a beneficiary, death benefits will be paid to your first surviving relative in the following order: your spouse; your children in equal shares; your parents in equal shares; your brothers and sisters in equal shares; or your estate. However, Dearborn National may pay up to $2,000 to anyone who pays expenses for your burial. The remainder will be paid in the order described above.

If a beneficiary is not legally competent to receive payment, Dearborn National may make payments to that person’s legal guardian.

Additional services

In addition to the benefits described above, Dearborn National has also made the following services available. These services are not part of the insured benefits provided to UNITE HERE HEALTH by Dearborn National but are made available through outside organizations that have contracted with Dearborn National. They have no relationship to UNITE HERE HEALTH or the benefits it provides.
Life and AD&D benefits

- **Beneficiary Resource Services**—Beneficiary Resource Services is available to beneficiaries of an insured person who dies, and to participants who qualify for the terminal illness benefit. The program combines grief and financial counseling, funeral planning, and legal support provided by Bensinger, DuPont & Associates, a nationwide organization utilizing qualified and accessible grief counselors and legal and financial consultants. Services are provided via telephone, face-to-face contact, and referrals to local support resources. Free online will preparation is also included. Call (800) 769-9187 for more information or go to www.beneficiaryresource.com and enter the username: Dearborn National.

- **Travel Resource Services**—Europ Assistance USA, Inc. provides 24-hour emergency medical and related services for short-term travel more than 100 miles from home. Services include: assistance with finding a doctor, medically necessary transportation, and replacement of medications or eyeglasses. Other non-medical related travel services are also available. Europ Assistance USA, Inc. arranges and/or pays for certain covered services up to the program maximum. While in the US or Canada, call (877) 715-2593 for more information. From other locations, call (202) 659-7807.

Contact Dearborn National at (800) 348-4512 when you have questions about these benefits.
General exclusions and limitations

Learn:

- The types of care not covered by the Plan.
General exclusions and limitations

Each specific benefit section has a list of the types of treatment, services, and supplies that are not covered. In addition to those lists, the following types of treatment, services and supplies are also excluded for all medical care, prescription drugs, hearing aids, and vision care. No benefits will be paid under the Plan for charges incurred for or resulting from any of the following:

- Treatment, services, or supplies that are not medically necessary in treating the injury or sickness as defined by UNITE HERE HEALTH (see page J-5).

- Any bodily injury or sickness for which the person for whom a claim is made is not under the care of a healthcare provider.

- Any injury, sickness, or dental or vision treatment which arises out of or in the course of any occupation or employment, or for which you have gotten or are entitled to get benefits under a workers’ compensation or occupational disease law, whether or not you have applied or been approved for such benefits.

- Any treatment, services, or supplies:
  - For which no charge is made.
  - For which a person is not required to pay.
  - Which are furnished by or payable under any plan or law of a federal or state government entity, or provided by a county, parish, or municipal hospital when there is no legal requirement to pay for such treatment, services, or supplies.
  - Which are provided by an individual who is related by blood or marriage to you, your spouse, or your child, or who normally lives in your home.

- Any charge which is more than the Plan's allowable charge (see page J-2).

- Experimental treatment (see page J-4), or treatment that is not in accordance with generally accepted professional medical or dental standards as defined by UNITE HERE HEALTH.

- Preventive care, unless specifically considered preventive healthcare (see page J-6), or as otherwise stated as covered. If you don’t meet the criteria for preventive healthcare the Plan otherwise covers, it might not be covered under the Plan.

- Any expense or charge for failure to appear for an appointment as scheduled, or charge for completion of claim forms, or finance charges.

- Any treatment, services, or supplies purchased or provided outside of the United States (or its Territories), unless for emergency medical treatment. The decision of the Trustees in determining whether an emergency existed will be final.

- Any expense or charge incurred by a Person confined in a rest home, old age home, or a nursing home.
General exclusions and limitations

- Any charges incurred while you are confined in a hospital, nursing home, or other facility or institution (or a part of such facility) which are primarily for education, training, or custodial care.

- Hospital charges for personal comfort items, including but not limited to telephones, televisions, cosmetics, guest trays, magazines, and bed or cots for family members or other guests.

- Supplies or equipment for personal hygiene, comfort or convenience such as, but not limited to, air conditioning, humidifier, physical fitness and exercise equipment, tanning bed, or water bed. This exclusion does not apply to equipment or items that meet the Plan's requirements for durable medical equipment.

- Procedures to reverse a voluntary sterilization.

- Sex transformation for any reason.

- Treatment for or in connection with infertility, other than for diagnostic services, including but not limited to in vitro fertilization, uterine embryo lavage, embryo transfer, artificial insemination, gamete intrafallopian tube transfer (GIFT), zygote intrafallopian tube transfer (ZIFT), and fertility drugs and medications of any kind.

- Home construction for any reason.

- Pregnancy or pregnancy-related conditions incurred by dependent children, except as specifically stated as covered.

- Eye exams or hearing exams, except as specifically stated as covered, or unless the exam is for the diagnosis or treatment of injury or an illness.

- Eyeglasses, contact lenses, or hearing aids, except as specifically stated as covered; or any vision services or supplies not covered under the vision benefits.

- Any dental treatment of teeth or their supporting structures, or services or supplies associated with such treatment, except as specifically stated as covered.

- Weight loss programs or treatment, except as specifically stated as covered (for example, diabetes education, nutrition counseling, or preventive healthcare services), or for the treatment of morbid obesity under the direct supervision of a healthcare professional.

- Cosmetic, plastic, or reconstructive surgery, unless that surgery is either: (1) to treat an accidental injury, or (2) breast reconstruction following a mastectomy.

- Any smoking cessation treatment, program, drug, or device to help you stop smoking or using tobacco, other than preventive healthcare services or as otherwise stated as covered.

- Any charges incurred for treatment, services, or supplies as a result of a declared or undeclared war or any act thereof; or any loss, expense or charge incurred while a person is on active duty or in training in the Armed Forces, National Guard, or Reserves of any state or any country.
General exclusions and limitations

- Any elective procedure (other than sterilization or abortion, or as otherwise specifically stated as covered) that is not for the correction or cure of a bodily injury or sickness.

- Any injury or sickness resulting from participation in an insurrection or riot, or participation in the commission of a felonious act or assault.

- Massage therapy, rolfing, acupressure, or biofeedback training.

- Naturopathy or naprapathy.

- Athletic training.

- Education or training, unless specifically stated as covered.

- Services provided by or through a school, school district, or community or state-based educational or intervention program, including but not limited to any part of an Individual Education Plan (IEP).

- Court-ordered or court-provided treatment of any kind, including any treatment otherwise covered by this Plan when such treatment is ordered as a part of any litigation, court ordered judgment or penalty.

- Treatment, therapy, or drugs designed to correct a harmful or potentially harmful habit rather than to treat a specific disease, other than services or supplies specifically stated as covered.

- Megavitamin therapy, primal therapy, psychodrama, or carbon dioxide therapy.

- Services, treatment, or supplies for Christian Science.

- Any expense greater than the Plan’s maximum benefits, or any expense incurred before eligibility for coverage begins or after eligibility terminates, unless specifically provided for under the Plan.

- Any treatment, service, or supply that is denied or not covered because prior authorization was not obtained when prior authorization is required as a condition of coverage.

- Services, treatment, or supplies provided by a non-network provider when Plan benefits are only payable if the service, treatment, or supply is provided by a network provider.

- A service or item that is not covered under the Plan’s claims processing guidelines or any other internal rule, guideline, protocol or similar criterion that the Plan relies upon.

- Charges or claims incurred as a result, in whole or in part, of fraud, false information, or misrepresentation.
Coordination of benefits

Learn:

- How benefits are paid if you are covered under this Plan plus other plan(s).
Coordination of benefits

The Plan’s coordination of benefits provisions only apply to medical benefits and hearing aid benefits. Your dental benefits are subject to coordination of benefits using the rules set forth in EmblemHealth insured policy. These rules may be slightly different than the rules shown below. If you have any questions about coordination of benefits for dental, contact EmblemHealth.

If you or your dependents are covered under this Plan and are also covered under another group health plan, the two plans will coordinate benefit payments. Coordination of benefits (COB) means that two or more plans may each pay a portion of the allowable expenses. However, the combined benefit payments from all plans will not exceed 100% of allowable expenses. This Plan coordinates benefits with the following types of plans:

- Group, blanket, or franchise insurance coverage.
- Group Blue Cross or Blue Shield coverage.
- Any other group coverage, including labor-management trusteed plans, employee organization benefit plans, or employer organization benefit plans.
- Any coverage under governmental programs or provided by any statute, except Medicaid.
- Any automobile insurance policies (including but not limited to “no fault” coverage containing personal injury protection (PIP)).

This Plan will not coordinate benefits with health maintenance organizations (HMOs) or reimburse an HMO for services provided.

Which plan pays first

The first step in coordinating benefits is to determine which plan pays first (the primary plan) and which plan pays second (the secondary plan). If the Plan is primary, it will pay its full benefits. However, if the Plan is secondary, the benefits it would have paid will be used to supplement the benefits provided under the other plan, up to 100% of allowable expenses. Contact the Fund for more information about how the Plan determines allowable expenses when it is secondary.

Order of payment

The general rules that determine which plan pays first are summarized below. Contact the Fund if you have any questions.

- Plans that do not contain COB provisions always pay before those that do.
- Plans that have COB and cover a person as an employee always pay before plans that cover the person as a dependent.
- Plans that have COB and cover a person (or dependent of such person) who is laid off, retired, or enrolled in continuation coverage in accordance with federal or state law will be
secondary to active coverage, including self-paid coverage. Continuation of coverage offered in accordance with federal or state law, such as COBRA, will be secondary to any non-continuation coverage, subject to the rule for military or government plans, below.

- Generally, military or government coverage will be secondary to all other coverage.
- With respect to plans that have COB and cover dependent children under age 18 whose parents are not separated, plans that cover the parent whose birthday falls earlier in a year pay before plans covering the parent whose birthday falls later in that year.
- With respect to plans that have COB and cover dependent children under age 18 whose parents are separated or divorced:
  - Plans covering the parent whose financial responsibility for the child’s healthcare expenses is established by court order pay first.
  - If there is no court order establishing financial responsibility, the plan covering the parent with custody pays first.
  - If the parent with custody has remarried and the child is covered as a dependent under the plan of the stepparent, the order of payment is as follows:
    1. The plan of the parent with custody.
    2. The plan of the stepparent with custody.
    3. The plan of the parent without custody.
- With respect to plans that have COB and cover adult dependent children age 18 and older under both parents’ plans, regardless of whether these parents are separated or divorced, or not separated or divorced, the plan that covers the parent whose birthday falls earlier in a year pays before the plan covering the parent whose birthday falls later in the year, unless a court order requires a different order.
- With respect to plans that have COB and cover adult dependent children age 18 and older under one or more parents’ plan and also under the dependent child’s spouse’s plan, the plan that has covered the dependent child the longest will pay first.

If these rules do not determine the primary plan, the plan that has covered the person for the longest period of time pays first.

**COB, prior authorization, and referrals**

When this Plan is secondary (pays its benefits after the other plan) and the primary plan’s prior authorization or utilization management requirements are satisfied, you or your dependent will not be required to comply with this Plan’s prior authorization or utilization management requirements. The Plan will accept the prior authorization or utilization management determinations made by the primary plan.
Special rules for Medicare

I am an active employee
Generally, the Plan pays primary to Medicare for you and your dependents. However, there is an exception if you or your dependent has end-stage renal disease (see below).

If you are also enrolled in Medicare, Medicare will pay secondary. This means Medicare may pay for some of your expenses after the Plan pays its benefits.

I am an active employee, but I have, or my dependent has, end-stage renal disease (ESRD)
For the first 30 months you (or your dependent) are eligible for Medicare because of ESRD, the Plan pays primary, and Medicare pays secondary.

Medicare will pay primary for people with ESRD, regardless of their age, beginning 30 months after you become eligible for Medicare because of ESRD. The Plan pays secondary, whether or not you (or your dependent) have enrolled in Medicare.

Your ESRD Medicare coverage will usually end, and the Plan’s normal coordination rules will apply again:

- 12 months after the month you stop dialysis treatments; or
- 36 months after the month you have a kidney transplant.

If you (or your dependent) have ESRD, you should enroll in Medicare to avoid getting billed for things Medicare will cover.

I have COBRA coverage or retiree coverage
If you and your dependents have COBRA coverage or retiree coverage, and you (or your dependent) are eligible for Medicare, the Plan pays secondary to Medicare whether or not you (or your dependent) enroll in Medicare. The Plan won’t pay amounts that can be paid by Medicare.

If you have retiree or COBRA coverage, and you do not enroll in both Medicare Part A (Hospital Benefits) and Part B (Doctor’s Benefits) when you are 65, you will have to pay 100% of the costs that Medicare would have paid.

How to get help with Medicare
Get help enrolling in Medicare, or get answers about Medicare, by:

- Calling (800) 772-1213
- Going online to www.SocialSecurity.gov
- Contacting your local Social Security office.
If you and your spouse are both employees under this Plan

If both you and your spouse are covered as employees under this Plan and you or your spouse cover the other person as your dependent, the Plan will coordinate benefits with itself (internal coordination of benefits). Any benefit maximums and copay requirements will be administered as if only one employee had coverage under the Plan.

This rule also applies when coordinating benefits for your children if you and your spouse are both covered as employees under this Plan, or if you and your dependent child are both covered as employees under the Plan.
Subrogation

Learn:

- Your responsibilities and the Plan’s rights if your medical expenses are from an accident or an act caused by someone else.
Subrogation

This section does not apply to benefits provided under the dental benefits. For more information about the subrogation provisions applicable to dental benefits administered by EmblemHealth, call (800) 624-2414.

The Plan’s right to recover payments

When injury is caused by someone else

Sometimes, you or your dependent suffer injuries and incur medical expenses as a result of an accident or act for which someone other than UNITE HERE HEALTH is financially responsible. For benefit repayment purposes, “subrogation” means that UNITE HERE HEALTH takes over the same legal rights to collect money damages that a participant had.

Typical examples include injuries sustained:

- In a motor vehicle or public transportation accident.
- By medical malpractice.
- By products liability.
- On someone’s property.

In these cases, other insurance may have to pay all or a part of the resulting medical bills, even though benefits for the same expenses may be paid by the Plan. By accepting benefits paid by the Plan, you agree to repay the Plan if you recover anything from a third party.

Statement of facts and repayment agreement

In order to determine benefits for an injury caused by another party, UNITE HERE HEALTH may require a signed Statement of Facts. This form requests specific information about the injury and asks whether or not you intend to pursue legal action. If you receive a Statement of Facts, you must submit a completed and signed copy to UNITE HERE HEALTH before benefits are paid.

Along with the Statement of Facts, you will receive a Repayment Agreement. If you decide to pursue legal action or file a claim in connection with the accident, you and your attorney (if one is retained) must also sign a Repayment Agreement before UNITE HERE HEALTH pays benefits. The Repayment Agreement helps the Plan enforce its right to be repaid and gives UNITE HERE HEALTH first claim, with no offsets, to any money you or your dependents recover from a third party, such as:

- The person responsible for the injury;
- The insurance company of the person responsible for the injury; or
- Your own liability insurance company.
The Repayment Agreement also allows UNITE HERE HEALTH to intervene in, or initiate on your behalf, a lawsuit to recover benefits paid for or in connection with the injury.

**Settling your claim**

Before you settle your claim with a third party, you or your attorney should contact UNITE HERE HEALTH to obtain the total amount of medical bills paid. Upon settlement, UNITE HERE HEALTH is entitled to reimbursement for the amount of the benefits it has paid or the full amount of the settlement or other recovery you or a dependent receive, whatever is less.

If UNITE HERE HEALTH is not repaid, future benefits may be applied to the amounts due, even if those benefits are not related to the injury. If this happens, no benefits will be paid on behalf of you or your dependent (if applicable) until the amount owed UNITE HERE HEALTH is satisfied.

If the Plan unknowingly pays benefits resulting from an injury caused by an individual who may have financial responsibility for any medical expenses associated with that injury, your acceptance of those benefits is considered your agreement to abide by the Plan’s subrogation rule, including the terms outlined in the Repayment Agreement.

Although UNITE HERE HEALTH expects full reimbursement, there may be times when full recovery is not possible. The Trustees may reduce the amount you must repay if special circumstances exist, such as the need to replace lost wages, ongoing disability, or similar considerations. When your claim settles, if you believe the amount UNITE HERE HEALTH is entitled to should be reduced, send your written request to:

Subrogation Coordinator  
UNITE HERE HEALTH  
P.O. Box 6020  
Aurora, IL 60598-0020
Eligibility for coverage

Learn:

- Who is eligible for coverage (who is considered a dependent).
- How you enroll yourself and your dependents.
- When and how you become eligible for coverage.
- How you stay eligible for coverage.
- When your dependents become eligible.
- When you can add dependents.
Eligibility for coverage

You establish and maintain eligibility by working for an employer required by a Collective Bargaining Agreement (CBA) to make contributions to UNITE HERE HEALTH on your behalf. There may be a waiting period under your CBA before your employer is required to begin making those contributions. You may also have to satisfy other rules or eligibility requirements described in your CBA before your employer is required to contribute on your behalf. Any days you work during a waiting period or before you meet all of the eligibility criteria described in your CBA do not count toward establishing your eligibility under UNITE HERE HEALTH. You should look at your CBA—it will tell you when your employer will start making contributions for your coverage, as well as any other rules you may have to follow, or criteria you may have to meet, in order to become eligible. If you have questions about your CBA, talk to your union representative.

The eligibility rules described in this section will not apply to you until and unless your employer is required to begin making contributions on your behalf.

The Trustees may change or amend eligibility rules at any time.

Who is eligible for coverage

Employees
You are eligible for coverage if you meet all of the following rules:

- You work for an employer who is required by a CBA to contribute to UNITE HERE HEALTH on your behalf.
- The contributions required by that CBA are received by UNITE HERE HEALTH.
- You meet the Plan’s eligibility rules.

If you are required to make any payment toward the cost of providing coverage for you and your family, you must arrange with your employer to make those payments by payroll deduction.

Dependents
If you have dependents when you become eligible for coverage, you can also sign up (enroll) your dependents for coverage during your initial enrollment period. Coverage for your dependents is available at no cost to you as long as employer contributions continue to be made on your behalf and you continue to work the minimum necessary to maintain your eligibility.

You must enroll all dependents you want covered by the Plan. Your dependents’ coverage will start when yours does (not before). You cannot decline coverage for yourself and enroll your dependents. You can add dependents after your coverage starts. See “When dependent coverage starts” starting on page G-15 for more information.
Eligibility for coverage

Who your dependents are

Your dependent is any of the following, provided you show proof of your relationship to them:

- Your legal spouse.
- Your children who are under age 26, including:
  - Biological children, including children entitled to coverage under a Qualified Medical Child Support Order.
  - Step-children.
  - Adopted children or children placed with you for adoption, if you are legally responsible for supporting the children until the adoption is finalized.
  - Children for whom you are the legal guardian or for whom you have sole custody under a state domestic relations law.

✓ Federal law requires UNITE HERE HEALTH to honor Qualified Medical Child Support Orders. UNITE HERE HEALTH has established procedures for determining whether a divorce decree or a support order meets federal requirements and for enrollment of any child named in the Qualified Medical Child Support Order. To obtain a copy of these procedures at no cost, or for more information, contact the Fund.

If your child is age 26 or older and disabled, his or her coverage may be continued under the Plan. In order to continue coverage, the child must have been diagnosed with a physical or mental handicap, must not be able to support himself or herself, and must continue to depend on you for support. Coverage for a child with a disability will continue as long as:

- You (the employee) remain eligible;
- The child’s handicap began before age 19; and
- The child was covered by the Plan on the day prior to his or her 19th birthday.

You must provide proof of the mental or physical handicap within 30 days after the date coverage would end because the child becomes age 26. The Fund may also require you to provide proof of the handicap periodically. Contact the Fund for more information on how to continue coverage for a child with a serious handicap.

Enrollment requirements

Employees

Once you become eligible, coverage is automatic. However, if your CBA requires you to contribute toward the cost of coverage or gives you the option of choosing between contributory and
Eligibility for coverage

non-contributory coverage, you will have to submit a coverage election form before coverage becomes effective. By electing the Plan, you also agree to have the required payments toward the cost of providing coverage made by payroll deduction.

If you choose to waive coverage, or if you fail to make the required contribution and lose coverage, you will have the opportunity to elect coverage during open enrollment periods designated by the Plan or during special enrollment periods required by federal law. For more information about special enrollment periods, see page G-9.

Dependents

✓ You cannot choose to cover just your dependents. You can only cover your dependents if you enroll for coverage, too.

You must enroll all dependents you want covered by the Plan, including dependents you acquire after your coverage becomes effective. You can enroll your dependents at any time, but the date your dependent’s coverage begins will be determined by the date the dependent enrollment form and required documentation is provided to and accepted by UNITE HERE HEALTH.

See page G-15 for information about when coverage for your dependents starts.

You must show that each dependent you enroll meets the Fund’s definition of a dependent. You must provide at least one of the following, as appropriate, for each of your dependents:

- A certified copy of your marriage certificate.
- A commemoration of marriage from a generally recognized denomination of organized religion.
- A certified copy of the birth certificate.
- A baptismal certificate.
- Hospital birth records.
- Written proof of adoption or legal guardianship.
- Court decrees requiring you to provide medical benefits for a dependent child.
- Copies of your most recent federal tax return (Form 1040 or its equivalents).
- Documentation of dependent status issued and certified by the United States Immigration and Naturalization Service (INS).
- Documentation of dependent status issued and certified by a foreign embassy.

Your or your spouse’s name must be listed on the proof document as the dependent child’s parent or legal guardian.
The following rules are applicable to employees of most employers. For the rules applicable to employees of Belmont Racetracks, see page G-10. For the rules applicable to employees of Madison Square Gardens and Levy Premium Foodservice Limited Partnership, doing business at Barclays Center, see page G-14.

Eligibility rules applicable to employees of most employers

When your coverage begins (initial eligibility)

Applicable to most employers

Your coverage begins at 12:01 a.m. on the first day of the coverage period corresponding to the first work period for which contributions are required on your behalf.

The Plan provides two levels of benefits—Class I and Class II—each determined by the number of days of work you are credited with during a work period.

For purposes of establishing initial eligibility:

- **Work Period** means any 2 consecutive calendar months for which one or more of your employers must make contributions to UNITE HERE HEALTH on your behalf and during which you are credited with at least 1 day of work in each month and a total of at least:
  - 30 days of work for Class I benefits, or
  - 16 days but not more than 29 days for Class II benefits.

- **Lag Period** means the 2 consecutive calendar months between the end of a work period and the beginning of the corresponding coverage period.

- **Coverage Period** means the calendar month during which you are covered if you meet the eligibility rules during the corresponding work period.

<table>
<thead>
<tr>
<th>Example: Establishing Initial Eligibility</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Work Period</strong></td>
</tr>
<tr>
<td>June and July</td>
</tr>
</tbody>
</table>

Suppose you work during the months of June and July, employer contributions are required on your behalf for each month, and you are credited with a total of 30 days of work during your first work period. You are entitled to Class I benefits beginning on October 1 and continuing through the rest of the month. If you were credited with a total of at least 16 to 29 days during those months instead, you would be entitled to Class II benefits for the month of October.

✓ If you have questions about how your employer contributions relate to the eligibility rules based on days of work, call the Fund at (866) 261-5676.
Eligibility for coverage

Continuing eligibility

Applicable to most employers

Once you establish eligibility, you continue to be eligible as long as contributions continue to be required on your behalf and you continue to work the required number of days during the corresponding work period.

For purposes of continuing eligibility:

- **Work Period** means a calendar month for which your employer must make a contribution to UNITE HERE HEALTH on your behalf and you are credited with at least:
  - 15 days of work for Class I benefits, or
  - 8 days but not more than 14 days for Class II benefits.

- **Lag Period** means the 2 consecutive calendar months between the end of a work period and the beginning of the corresponding coverage period.

- **Coverage Period** means the calendar month during which you are covered if you meet the eligibility rules during the corresponding work period.

<table>
<thead>
<tr>
<th>Work Period</th>
<th>Lag Period</th>
<th>Coverage Period</th>
</tr>
</thead>
<tbody>
<tr>
<td>August</td>
<td>September and October</td>
<td>November</td>
</tr>
<tr>
<td>September</td>
<td>October and November</td>
<td>December</td>
</tr>
<tr>
<td>October</td>
<td>November and December</td>
<td>January</td>
</tr>
</tbody>
</table>

Suppose you became covered October 1 because you met all of the requirements for the June and July work period. If a contribution is required on your behalf and you are credited with at least 15 days of work for August, your Class I benefits continue during November. A contribution and credit for 15 days of work for September continues your Class I benefits for December, October will continue your benefits for January, and so on. If you are credited with at least 8 days, but not more than 14 days during any work period, you are entitled to Class II benefits.

Self-payments for continuing eligibility

Applicable to most employers

✓ All self-payments must be postmarked no later than the 15th day of the month immediately preceding the coverage period for which continued coverage is intended.

You can make self-payments only if you lose eligibility, or would be eligible for a lower level of benefits (Class II), as a result of:
Eligibility for coverage

- Lay-off.
- Approved leaves of absence.
- Reduction in hours.
- Approved vacation time off.
- Qualifying retirement (see page H-1 for more information).

The work period for which you are making a self-payment must immediately follow one for which you were credited with at least the minimum number of days to maintain eligibility. Your self-payment will only continue the level of benefits you had in the month immediately preceding the month for which you are making the self-payment. The amount of your self-payment is the difference between the actual credited days worked during the corresponding work period and the number of days needed to maintain the same level of benefits lost.

<table>
<thead>
<tr>
<th>Work Period</th>
<th>Lag Period</th>
<th>Coverage Period</th>
</tr>
</thead>
<tbody>
<tr>
<td>August 20 days</td>
<td>September and October</td>
<td>November Class I</td>
</tr>
<tr>
<td>September 10 days</td>
<td>October and November</td>
<td>December Class II</td>
</tr>
</tbody>
</table>

Suppose you normally work at least 20 days each month, but you only work 10 days in September. You will be entitled to the Class II benefits for December, unless you make self-payment for 5 days to bring you back up to the Class I level of benefits (10 days of work, plus 5 days of self-pay equals the minimum of 15 days for Class I benefits). In this example, your self-payment must be postmarked no later than the 15th of November.

Self-payments can only be made for up to 12 consecutive months. Self-payments cannot be made after your employment terminates. Special rules apply if you qualify to make self-payments to continue coverage after you retire (see page H-1). Once you reach the maximum of 12 months of self-payments, you cannot make another self-payment until you re-establish eligibility, through employer contributions.

Contact the Fund at (866) 261-5676 for more information on how to make self-payments.

Self-payments during remodeling or restoration

Applicable to most employers

If your work place closes or partially closes because it’s being remodeled or restored, you may make self-payments to continue your coverage, up to the level of benefits (Class I or Class II) you had immediately prior to the closure, until the facility is reopened. However, you may only make self-payments for up to 18 months from the date your work place closed.
Eligibility for coverage

If the facility is not reopened, if you are not recalled, or if you decline recall, no further self-payments will be accepted to continue your coverage. Your coverage will terminate on the last day of the month for which a payment was last accepted. However, you may be eligible for COBRA coverage (See page G-26).

Self-payments during a strike

Applicable to most employers

You may also make self-payments to continue coverage, up to the level of benefits (Class I or Class II) you had prior to the strike, if all of the following rules are met:

- Your CBA has expired.
- Your employer is involved in collective bargaining with the union and an impasse has been reached.
- The union certifies that affirmative actions are being taken to continue the collective bargaining relationship with the Employer.

You may make self-payments to continue your coverage for up to 12 months as long as you do not engage in conduct inconsistent with the actions being taken by the union.

Disability credit days to continue eligibility

Applicable to most employers

You can continue eligibility for your current level of coverage (Class I or Class II) while you are totally disabled if you meet all of the following:

- You have established initial eligibility.
- You became totally disabled (see page J-7) because of a work-related injury or sickness for which workers’ compensation disability benefits are paid.
- You were covered by the Plan and were working for a contributing employer during the month you became totally disabled.
- You provide the Fund:
  - A copy of your workers’ compensation disability.
  - Periodic written proof of total disability.

If you meet these requirements, you will get a total number of disability credit days equal to 6 times the number of work days you were credited with during the work period corresponding the coverage period during which you became totally disabled. For each full or partial calendar month you are totally disabled, the total number of disability credit days will be reduced by the minimum number of days needed to maintain eligibility, for up to a maximum of 12 months beginning with the month you became totally disabled. You may then continue eligibility by making self-payments.
Eligibility for coverage

Example: Continuing Eligibility through Disability Credit Days under Class I
(15 days/month required for Class I benefits)

<table>
<thead>
<tr>
<th>Work Period</th>
<th>Credited Days Worked</th>
<th>Disability Credit Days at the Start of the Month</th>
<th>Disability Credit Days Needed to Continue Coverage</th>
<th>Coverage Period</th>
</tr>
</thead>
<tbody>
<tr>
<td>July</td>
<td>20</td>
<td>n/a</td>
<td>n/a</td>
<td>October</td>
</tr>
<tr>
<td>August September</td>
<td>18 20</td>
<td>n/a</td>
<td>n/a</td>
<td>November December</td>
</tr>
<tr>
<td>October (disability starts)</td>
<td>5</td>
<td>20 x 6 = 120 days total (days worked from July x 6)</td>
<td>15 - 5 = 10 days (required days - days worked)</td>
<td>January</td>
</tr>
<tr>
<td>November (remain disabled)</td>
<td>0</td>
<td>120 - 10 = 110 days left (days - days used)</td>
<td>15 - 0 = 15 days (required days - days worked)</td>
<td>February</td>
</tr>
</tbody>
</table>

You can continue to use your disability credit days until you run out, for up to a maximum of 12 months. The same calculations apply to Class II, except the number of required days is 8 days per month.

The Plan does not provide benefits for disabilities that are job-related or for which you are entitled to benefits under workers’ compensation (see page E-2). Disability credit days are only used to continue eligibility under the Plan. Contact the Fund if you become disabled and might be eligible to get disability credit days.

Enrollment periods

This section applies to you if your CBA requires you to contribute toward the cost of your coverage (sometimes called a co-premium) or gives you the option of choosing between contributory and non-contributory coverage. For information about how to enroll dependents after you are enrolled and have eligibility, see page G-16.

Open enrollment periods

Open enrollment periods take place as designated by the Plan. They provide you with the opportunity to elect coverage for yourself and your dependents if you declined coverage or if you lost coverage because you failed to make any required contributions. If you want to enroll yourself, and your dependents, you must provide the required enrollment material and arrange to make any required payments. Your open enrollment materials will describe the deadlines for enrollment and when coverage will start.
Eligibility for coverage

Special enrollment periods
In a few special circumstances, you do not need to wait for the open enrollment period to enroll yourself and your dependents. You can enroll yourself and any dependents for coverage within 60 days of any of the following events:

- Your marriage.
- A child is born, or a child under age 26 is adopted or placed for adoption.
- A dependent previously living in a foreign country begins living with you.
- You or your dependent lose coverage under a Medicaid or State Child Health Insurance Program (CHIP) program or become eligible for premium assistance under a Medicaid or CHIP program.
- Termination of coverage under another group health plan, other insurance, or COBRA continuation coverage that was in effect on the date you became eligible to enroll for coverage (unless you lost that coverage because you stopped paying premium payments).

If you provide the required enrollment materials and arrange to make any required payments toward the cost of coverage, your coverage will begin on the first day of the third month immediately following the month the Fund receives your payment toward the cost of providing coverage from your Employer on your behalf. Your coverage can start sooner if you make the number of additional payments required from the date of the special enrollment event through the month in which your first payroll deductions are made. If you arrange with your employer to make the additional payments, your and your dependents’ coverage will start:

- the first of the month following your marriage or the loss of other coverage, or
- the date of the event, for all other special enrollment events.

If you do not notify the Fund within 60 days of a special enrollment period, or if you do not make the required payments toward the cost of coverage, you will have to wait until the next open enrollment or special enrollment period to enroll.

Eligibility rules applicable to employees of Belmont Racetracks

When your coverage begins (initial eligibility) and continuing eligibility

Belmont Racetracks employees only

Your coverage begins at 12:01 a.m. on the first day of the coverage period corresponding to the first work period for which contributions are required on your behalf.

The Plan provides two levels of benefits—Class I and Class II—each determined by the number of days of work you are credited with during a work period.
Once you establish eligibility, you continue to be eligible as long as you work the required number of days during the corresponding work period.

For purposes of establishing initial eligibility and continuing eligibility:

- **Work Period** means the fixed period of 4 consecutive calendar months for which one or more of your employers must make contributions to UNITE HERE HEALTH on your behalf and during which you are credited with at least 1 day of work in each month and a total of at least:
  - 64 days of work for Class I benefits, or
  - 48 days but not more than 63 days for Class II benefits.

- **Lag Period** means the 2 consecutive calendar months between the end of a work period and the beginning of the corresponding coverage period.

- **Coverage Period** means the 4 consecutive calendar months during which you are covered if you meet the eligibility rules during the corresponding work period.

### Example: Initial and Continuing Eligibility

<table>
<thead>
<tr>
<th>Work Period</th>
<th>Lag Period</th>
<th>Coverage Period</th>
</tr>
</thead>
<tbody>
<tr>
<td>January, February, March, April</td>
<td>May and June</td>
<td>July, August, September, October</td>
</tr>
<tr>
<td>May, June, July, August</td>
<td>September and October</td>
<td>November, December, January, February</td>
</tr>
<tr>
<td>September, October, November, December</td>
<td>January and February</td>
<td>March, April, May, June</td>
</tr>
</tbody>
</table>

Suppose you work during the months of January, February, March, and April, employer contributions are required on your behalf for each month, and you are credited with a total of 64 days of work during your first work period. You are entitled to Class I benefits beginning on July 1 for the months of July, August, September, and October.

If a contribution is required on your behalf for the May through August period and you were credited with at least 64 days of work, your Class I coverage continues for the months of November through February. If a contribution is required on your behalf for the September through December work period and you were credited with at least 64 days of work, your Class I coverage continues for the months of March through June.

If you were credited with a total of at least 48 days during those months instead, you would be entitled to Class II benefits for the coverage months.
Eligibility for coverage

Self-payments for continuing eligibility

**BELMONT RACETRACKS EMPLOYEES ONLY**

✓ All self-payments must be postmarked no later than the 15th day of the month immediately preceding the coverage period for which continued coverage is intended.

You can make self-payments only if you lose eligibility, or would be eligible for a lower level of benefits, as a result of:

- Lay-off.
- Approved leaves of absence.
- Reduction in hours.
- Approved vacation time off.
- Qualifying retirement (see page H-1 for more information).

The work period for which you are making a self-payment must immediately follow one for which you were credited with at least the minimum number of days to maintain eligibility. Your self-payment will only continue the level of benefits you had in the month immediately preceding the month for which you are making the self-payment. The amount of your self-payment is the difference between the minimum number of days of work required to maintain the level of benefits you had and the number of actual days credited for that work period.

Self-payments can only be made for up to 12 consecutive months. Self-payments cannot be made after your employment terminates. Special rules apply if you qualify to make self-payments to continue coverage after you retire (see page H-1). Once you reach the maximum of 12 months of self-payments, you cannot make another self-payment until you re-establish eligibility, through employer contributions.

Contact the Fund at **(866) 261-5676** for more information on how to make self-payments.

Self-payments during remodeling or restoration

**BELMONT RACETRACKS EMPLOYEES ONLY**

If your work place closes or partially closes because it’s being remodeled or restored, you may make self-payments to continue your coverage, up to the level of benefits (Class I or Class II) you had immediately prior to the closure, until the facility is reopened. However, you may only make self-payments for up to 18 months from the date your work place closed.

If the facility is not reopened, if you are not recalled, or if you decline recall, no further self-payments will be accepted to continue your coverage. Your coverage will terminate on the last day of the month for which a payment was last accepted. However, you may be eligible for COBRA coverage (see page G-26).
Self-payments during a strike

**Belmont Racetracks employees only**

You may also make self-payments to continue coverage, up to the level of benefits (Class I or Class II) you had prior to the strike, if all of the following rules are met:

- Your CBA has expired.
- Your employer is involved in collective bargaining with the union and an impasse has been reached.
- The union certifies that affirmative actions are being taken to continue the collective bargaining relationship with the Employer.

You may make self-payments to continue your coverage for up to 12 months as long as you do not engage in conduct inconsistent with the actions being taken by the union.

Disability credit days to continue eligibility

**Belmont Racetracks employees only**

You can continue eligibility for your current level of coverage (Class I or Class II) while you are totally disabled if you meet all of the following:

- You have established initial eligibility.
- You became totally disabled (see page J-7) because of a work-related injury or sickness for which workers’ compensation disability benefits are paid.
- You were covered by the Plan and were working for a contributing employer during the month you became totally disabled.
- You provide the Fund:
  - A copy of your workers’ compensation disability.
  - Periodic written proof of total disability.

If you meet these requirements, you will receive one credited day of employment for each day you are disabled, up to a maximum of 5 days per week. The maximum number of disability credit days you are entitled to each month is equal to 1/4 the number of work days you were credited with during the applicable 4-month work period.

The total number of disability credit days in any 12-month period of continuous total disability is 1.5 times the number of work days you were credited with during the 4-month work period corresponding to the coverage period during which you became totally disabled.

Suppose you have Class I coverage during the March through June coverage period and you become disabled April 1st. The corresponding work period is the 4-month period of September through December. If you worked 70 days during that work period, you will be entitled to 17.5 disability credit days.
Eligibility for coverage

days per month (70 days multiplied by 1/4 = 17.5), up to a maximum of 105 days for that continuous disability (70 days multiplied by 1.5 = 105 days).

Eligibility rules applicable to employees of Madison Square Garden or Levy Premium Foodservice Limited Partnership, doing business at Barclays Center (Barclays Center)

You are entitled to Class I benefits. The terms of your CBA ensure you never have to worry about dropping to a lower level of coverage.

When your coverage begins (initial eligibility)

Your coverage begins at 12:01 a.m. on the first day of the month in which your employer is required to make a full month’s contribution on your behalf and during which you are credited with at least 1 day of work. You will become initially eligible for coverage for a three-consecutive-month period beginning with the first month your employer is required to make a full month’s contribution on your behalf.

For example, if your employer is required to provide a full month’s contribution on your behalf for June, you will become initially eligible for coverage on June 1st and will remain eligible for coverage during June, July, and August.

Continuing eligibility

Once you establish eligibility, you continue to be eligible as long as your employer is required to make a full month’s contribution on your behalf.

For purposes of continuing eligibility:

- **Work Period** means a calendar month for which your employer must make a contribution to UNITE HERE HEALTH on your behalf and during which you are credited with at least 1 day of work.

- **Lag Period** means the calendar month between the end of a work period and the beginning of the corresponding coverage period.

- **Coverage Period** means the calendar month during which you are covered as determined by the corresponding work period.

<table>
<thead>
<tr>
<th>Work Period</th>
<th>Lag Period</th>
<th>Coverage Period</th>
</tr>
</thead>
<tbody>
<tr>
<td>June</td>
<td>July</td>
<td>August</td>
</tr>
<tr>
<td>July</td>
<td>August</td>
<td>September</td>
</tr>
<tr>
<td>August</td>
<td>September</td>
<td>October</td>
</tr>
</tbody>
</table>
Eligibility for coverage

Suppose you became covered August 1 because your employer was required to make contributions on your behalf during the June work period. If a contribution is required on your behalf for July, your coverage continues during September. A contribution for August continues your coverage for October, and so on.

Self-payments during remodeling or restoration

*Madison Square Garden and Barclays Center employees only*

If your workplace closes or partially closes because it’s being remodeled or restored, you may make self-payments to continue your coverage until the facility is reopened. However, you may only make self-payments for up to 18 months from the date your workplace closed.

If the facility is not reopened, if you are not recalled, or if you decline recall, no further self-payments will be accepted to continue your coverage. Your coverage will terminate on the last day of the month for which a payment was last accepted. However, you may be eligible for COBRA coverage (See page G-26).

Self-payments during a strike

*Madison Square Garden and Barclays Center employees only*

You may also make self-payments to continue coverage, if all of the following rules are met:

- Your CBA has expired.
- Your employer is involved in collective bargaining with the union and an impasse has been reached.
- The union certifies that affirmative actions are being taken to continue the collective bargaining relationship with the Employer.

When dependent coverage starts

*Applicable to all employees*

Dependent coverage cannot start before your coverage starts. Dependent coverage cannot continue after your coverage ends (except in certain limited circumstances, see page G-26). Remember, you must enroll each of your dependents and provide any required documentation before the Plan will pay benefits (see page G-4).

If you enroll dependents when you become initially eligible

If you satisfactorily enroll your dependents within 30 days of the date your coverage initially begins, coverage for those dependents begins on the same date your coverage begins.
Eligibility for coverage

If you add dependents after you become initially eligible

Once you are eligible, you can add your dependents at any time.

If you satisfactorily enroll your dependents within 60 days of the following special enrollment events, coverage for those dependents begins on the date of the event:

- A child is born, or a child under age 26 is adopted or placed for adoption.
- A dependent previously living in a foreign country begins living with you.
- You or your dependent lose coverage under a Medicaid or State Child Health Insurance Program (CHIP) program or become eligible for premium assistance under a Medicaid or CHIP program.

If you satisfactorily enroll your dependents within 60 days of the following special enrollment events, coverage for those dependents begins on the first of the month following the date of the event:

- Your marriage.
- Termination of coverage under another group health plan, other insurance, or COBRA continuation coverage that was in effect on the date you became eligible to enroll dependents for coverage (unless you lost that coverage because you stopped paying premium payments).

If you don’t enroll your dependent within 30 days of the date you establish initial eligibility or within 60 days of one of the special enrollment events above, your dependent’s coverage will begin on the first day of the month following the date you enroll your dependent and the required documentation is provided to and accepted by the Fund.

Example: When dependent coverage begins

<table>
<thead>
<tr>
<th>Dependent Enrollment Materials Submitted to and Accepted by UNITE HERE HEALTH:</th>
<th>Within 30 days of establishing initial eligibility</th>
<th>Within 60 days of a special enrollment event</th>
<th>After 60 days of initial eligibility/special enrollment event</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dependent Coverage Begins:</td>
<td>Date you establish initial eligibility</td>
<td>Date of the special enrollment event or first of the month following the date of special enrollment event, as applicable</td>
<td>First of the month following the date you submit all required enrollment materials</td>
</tr>
</tbody>
</table>

Continued coverage for dependents

Your dependents will remain covered as long as you remain eligible and they continue to meet the definition of a dependent.
Termination of coverage

Learn:

- When your coverage and your dependents’ coverage ends.
Termination of coverage

Your and your dependents’ coverage continues as long as you maintain your eligibility as described in the previous section of this SPD and your dependents continue to meet the definition of a dependent. However, your coverage ends if one of the events described below happens. If your coverage terminates, you may be eligible to make self-payments to continue your coverage (called COBRA continuation coverage). See page G-26.

If you (the employee) are absent from covered employment because of uniformed service, you may elect to continue healthcare coverage under the Plan for yourself and your dependents for up to 24 months from the date on which your absence due to uniformed service begins. For more information, including the effect of this election on your COBRA rights, contact UNITE HERE HEALTH at (866) 261-5676.

When employee coverage ends

Your (the employee’s) coverage ends on the earliest of any of the following dates:

- The last day of the coverage period for which your employer was required to make a contribution on your behalf, and,
  - for all employees of employers other than Madison Square Gardens and Barclays Center, you were credited with the minimum number of days required to maintain eligibility, during the corresponding work period.
- The last day of the coverage period for which you were credited with the maximum number of disability credits allowed.
- The last day of the coverage period for which you last made a timely self-payment, if allowed to do so.
- The day you enter uniformed service, unless coverage is otherwise continued under the Plan’s continuation provisions or the terms of the Uniformed Services Employee and Reemployment Rights Act of 1994, as amended.
- The date the Plan is terminated.

See page G-20 for special rules that apply if your employer’s CBA expires.

When dependent coverage ends

Dependent coverage ends on the earliest of any of the following dates:

- Your (the employee’s) coverage ends.
- The dependent enters uniformed service.
- The last day of the month in which your dependent no longer meets the Plan’s definition of a dependent.
Termination of coverage

- The date the Plan is terminated.

Certificate of creditable coverage
You may request a certificate of creditable coverage within the 24 months immediately following the date your or your dependents’ coverage ends. The certificate shows the persons covered by the Plan and the length of coverage applicable to each. However, the Fund will not automatically send you a certificate of creditable coverage. Contact the Fund at (866) 261-5676 when you have questions about certificates of creditable coverage.

Special termination rules
Your coverage under the Plan will end if any of the following happens:

If: Your employer is no longer required to contribute because of decertification, disclaimer of interest by the Union, or a change in your collective bargaining representative,
Then: Your coverage ends on the last day of the month during which the decertification is determined to have occurred. If there is a change in your collective bargaining representative, your coverage ends on the last day of the month for which your employer is required to contribute.

If: Your employer’s Collective Bargaining Agreement expires, a new Collective Bargaining Agreement is not established during the 12-month period immediately following the CBA’s expiration, and your employer does not make the required contributions to UNITE HERE HEALTH,
Then: Your coverage ends no later than the last day of the month following the month in which your employer’s contribution was due but was not made.

If: Your employer’s Collective Bargaining Agreement expires, a new Collective Bargaining Agreement is not established, and your employer continues making the required contributions to UNITE HERE HEALTH,
Then: Your coverage ends on the last day of the 12th month after the Collective Bargaining Agreement expires.

If: Your employer withdraws in whole or in part from UNITE HERE HEALTH,
Then: Your coverage ends on the last day of the month for which your employer is required to contribute to UNITE HERE HEALTH.

You should always stay informed about your union’s negotiations and how these negotiations may affect your eligibility for benefits.
Termination of coverage

The effect of severely delinquent employer contributions

The Trustees may terminate eligibility for employees of an employer whose contributions to the Fund are severely delinquent. Coverage for affected employees will terminate as of the last day of the coverage period corresponding to the last work period for which the Fund grants eligibility by processing the employers work report. The work report reflects an employee’s work history, which allows the Fund to determine his or her eligibility.

The Trustees have the sole authority to determine when an employer’s contributions are severely delinquent. However, because participants generally have no knowledge about the status of their employer's contributions to the Fund, participants will be given advance notice of the planned termination of coverage.
Reestabling eligibility

Learn:

- How you can reestablish your and your dependents’ eligibility.
- Special rules apply if you are on a leave of absence due to a call to active military duty.
- Special rules apply if you are on a leave of absence due to the Family Medical Leave Act.
Reestablishing eligibility

Reestablishing employee coverage
If you lose eligibility, and your loss of eligibility is less than:

- 12 consecutive months for all employees except employees of Belmont Racetracks, or
- 4 (4-month) work periods, measured from the last work period you were last credited with at least 32 days, for employees of Belmont Racetracks,

you can reestablish your eligibility by satisfying the Plan’s continuing eligibility rules (see page G-6, G-10, or G-14). If your loss of eligibility lasts for 12 months or more, or 4 (4-month) work periods as described above or more, you must again satisfy the Plan’s initial eligibility rules. If you lose eligibility because of a leave of absence under the Uniformed Services Employment and Reemployment Rights Act, other rules apply (see “The effect of uniformed service”).

Portability
If you are covered by one UNITE HERE HEALTH Plan Unit when your employment ends but you start working for an employer participating in another UNITE HERE HEALTH Plan Unit within 90 days of your termination of employment with the original employer, you will become eligible under the new Plan Unit on the first day of the month for which your new employer is required to make contributions on your behalf.

- In order to qualify under this rule, within 60 days after you begin working for your new employer, you, the union, or the new employer must send written notice to the Operations Department in the Aurora Office stating that your eligibility should be provided under the portability rules. Your eligibility under the new Plan Unit will be based on that Plan Unit’s rules to determine eligibility for the employees of new contributing employers (immediate eligibility).

- If written notice is not provided within 60 days after you begin working for your new employer, your eligibility under the new Plan Unit will be based on that Plan Unit’s rules to determine eligibility for the employees of current contributing employers.

Family and Medical Leave Act (FMLA)

✓ Eligibility will be continued for you and your dependents during your leave of absence under the Family and Medical Leave Act (FMLA). Contact your employer for details about FMLA.

If you are making monthly payments toward the cost of your coverage when your FMLA leave starts, you can continue coverage during your leave by continuing to make the required payments. If you stop making payments, your coverage under the Plan will end. However, your coverage will start again on the first day of the month for which your employer must make a
Reestablishing eligibility

contribution on your behalf after you return to work, provided you make your required payments as soon as you return to work.

The effect of uniformed service

If you are honorably discharged and returning from military service (active duty, inactive duty training, or full-time National Guard service), or from absences to determine your fitness to serve in the military, your coverage and your dependents’ coverage will be reinstated immediately upon your return to covered employment if all of the following are met:

• You provide your employer with advance notice of your absence, whenever possible.
• Your cumulative length of absence for “eligible service” is not more than 5 years.
• You report or submit an application for re-employment within the following time limits:
  ▶ For service of less than 31 days or for an absence of any length to determine your fitness for uniformed service, you must report by the first regularly scheduled work period after the completion of service PLUS a reasonable allowance for time and travel (8 hours).
  ▶ For service of more than 30 days but less than 181 days, you must submit an application no later than 14 days following the completion of service.
  ▶ For service of more than 180 days, you must return to work or submit an application to return to work no later than 90 days following the completion of service.

However, if your service ends and you are hospitalized or convalescing from an injury or sickness that began during your uniformed service, you must report or submit an application, whichever is required, at the end of the period necessary for recovery. Generally the period of recovery may not exceed 2 years.

No waiting periods will be imposed on reinstated coverage, and upon reinstatement coverage shall be deemed to have been continuous for all Plan purposes.

✓ Your rights to reinstate coverage are governed by The Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA). If you have any questions, or if you need more information, contact the Fund at (866) 261-5676.
COBRA continuation coverage

Learn:

- How you can make self-payments to continue your coverage.
COBRA continuation coverage

COBRA continuation coverage is not automatic. It must be elected and the required premiums must be paid when due. A premium will be charged under COBRA as allowed by federal law.

If you or your dependents lose coverage under the Plan, you have the right in certain situations to temporarily continue coverage beyond the date it would otherwise end. This right is guaranteed under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (COBRA).

Who can elect COBRA continuation coverage?

Only qualified beneficiaries are entitled to COBRA continuation coverage, and each qualified beneficiary has the right to make an election.

You or your dependent is a qualified beneficiary if you or your dependent loses coverage due to a qualifying event and you or your dependent were covered by the Plan on the day before the earliest qualifying event occurs. However, a child born to, or placed for adoption with, you (the employee) while you have COBRA continuation coverage is also a qualified beneficiary.

If you want to continue dependent coverage or add a new dependent after you elect COBRA continuation coverage, you may do so in the same way as active employees do under the Plan.

What is a qualifying event?

A qualifying event is any of the following events if it would result in a loss of coverage:

- Your death.
- Your loss of eligibility due to:
  - Termination of your employment (except for gross misconduct).
  - A reduction in your work hours below the minimum required to maintain eligibility.
- The last day of a leave of absence under FMLA if you don’t return to work at the end of that leave.
- Divorce or legal separation from your spouse.
- A child no longer meeting the Plan’s definition of dependent (see page G-2).
- Your coverage under Medicare. (Medicare coverage means you are eligible to receive coverage under Medicare; you have applied or enrolled for that coverage, if an application is necessary; and your Medicare coverage is effective.)
- Your employer withdraws from UNITE HERE HEALTH.
What coverage can be continued?

By electing COBRA continuation coverage, you have the same benefit options and can continue the same healthcare coverage available to other employees who have not had a qualifying event. In addition to medical benefits, COBRA continuation coverage includes prescription drug benefits, hearing aid benefits, vision benefits, and dental benefits (if applicable). **Life and AD&D benefits cannot be continued under COBRA.** However, you may be able to convert your life insurance to an individual policy. Contact the Fund for more information.

How long can coverage be continued?

The maximum period of time for which you can continue your coverage under COBRA depends upon the type of qualifying event and when it occurs:

- Coverage can be continued for up to 18 months from the date coverage would have otherwise ended, when:
  - Your employment ends.
  - Your work hours are reduced below the minimum required to maintain eligibility.
  - You fail to make voluntary self-payments.
  - Your ability to make self-payments ends.
  - You fail to return to employment from a leave of absence under FMLA.
  - Your employer withdraws from UNITE HERE HEALTH.

However, you may be able to continue coverage for yourself and your dependents for up to an additional 11 months, for a total of 29 months. The Social Security Administration must determine that you or a covered dependent are disabled according to the terms of the Social Security Act of 1965 (as amended) any time during the first 60 days of continuation coverage.

- Up to 36 months from the date coverage would have originally ended for all other qualifying events (see page G-26), as long as those qualifying events would have resulted in a loss of coverage despite the occurrence of any previous qualifying event.

However, the following rules determine maximum periods of coverage when multiple qualifying events occur:

- Qualifying events shall be considered in the order in which they occur.
- If additional qualifying events, other than your coverage by Medicare, occur during an 18-month or 29-month continuation period, affected qualified beneficiaries may continue their coverage up to 36 months from the date coverage would have originally ended.
COBRA continuation coverage

- If you are covered by Medicare and subsequently experience a qualifying event, continuation coverage for your dependents can only be continued for up to 36 months from the date you were covered by Medicare.

- If continuation coverage ends because you subsequently become covered by Medicare, continuation coverage for your dependents can only be continued for up to 36 months from the date coverage would have originally ended.

These rules only apply to persons who were qualified beneficiaries as the result of the first qualifying event and who are still qualified beneficiaries at the time of the second qualifying event.

Notifying UNITE HERE HEALTH when qualifying events occur

Your employer must notify UNITE HERE HEALTH of your death, termination of employment, reduction in hours, or failure to return to work at the end of a FMLA leave of absence. UNITE HERE HEALTH uses its own records to determine when a participant’s coverage under the Plan ends.

You or a dependent must inform UNITE HERE HEALTH by contacting the Fund within 60 days of the following:

- Your divorce or legal separation.
- The date your child no longer qualifies as a dependent under the Plan.
- The occurrence of a second qualifying event.

You must inform the Fund before the end of the initial 18 months of continuation coverage if Social Security determines you to be disabled. You must also inform the Fund within 30 days of the date you are no longer considered disabled by Social Security.

You should use UNITE HERE HEALTH’s forms to provide notice of any qualifying event, if you or a dependent are determined by the Social Security Administration to be disabled, or if you are no longer disabled. You can get a form by calling the Fund at (866) 261-5676.

If you don’t use UNITE HERE HEALTH’s forms to provide the required notice, you must submit information describing the qualifying event, including your name, Social Security number, address, telephone number, date of birth, and your relationship to the qualified beneficiary, to UNITE HERE HEALTH in writing. Be sure you sign and date your submission.

However, regardless of the method you use to notify the Fund, you must also include the additional information described below, depending on the event that you are reporting:

- For divorce or legal separation: spouse’s/partner’s name, Social Security number, address, telephone number, date of birth, and a copy of one of the following: a divorce decree or legal separation agreement.
COBRA continuation coverage

- For a dependent child’s loss of eligibility: the name, Social Security number, address, telephone number, date of birth of the child, date on which the child no longer qualified as a dependent under the plan; and the reason for the loss of eligibility (i.e., age, or ceasing to meet the definition of a dependent).

- For your death: the date of death, the name, Social Security number, address, telephone number, date of birth of the eligible dependent, and a copy of the death certificate.

- For your or your dependent’s disability status: the disabled person’s name, the date on which the disability began or ended, and a copy of the Social Security Administration’s determination of disability status.

If you or your dependent does not provide the required notice and documentation, you or your dependent will lose the right to elect COBRA continuation coverage.

In order to protect your family’s rights, you should keep the Fund informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Fund or that the Fund sends you.

Election and payment deadlines

COBRA continuation coverage is not automatic. You must elect COBRA continuation coverage, and you must pay the required payments when they are due.

When the Fund gets notice of a qualifying event, it will determine if you or your dependents are entitled to COBRA continuation coverage.

- If you or your dependents are not entitled to COBRA continuation coverage, you or your dependent will be mailed a notice that COBRA continuation coverage is not available within 14 days after UNITE HERE HEALTH has been notified of the qualifying event. The notice will explain why COBRA continuation coverage is not available.

- If you or your dependents are entitled to COBRA continuation coverage, you or the dependent will be mailed a description of your COBRA continuation coverage rights and the applicable election forms. The description of COBRA continuation coverage rights and the election forms will be mailed within 45 days after UNITE HERE HEALTH has been notified of the qualifying event. These materials will be mailed to those entitled to continuation coverage at the last known address on file.

If you or your dependents want COBRA continuation coverage, the completed election form must be mailed to UNITE HERE HEALTH within 60 days from the earliest of the following dates:

- The date coverage under the Plan would otherwise end.

- The date the Fund sends the election form and a description of the Plan’s COBRA continuation coverage rights and procedures, whichever occurs later.
**COBRA continuation coverage**

If your or your dependents’ election form is received within the 60-day election period, you or your dependents will be sent a premium notice showing the amount owed for COBRA continuation coverage. The amount charged for COBRA continuation coverage will not be more than the amount allowed by federal law.

- UNITE HERE HEALTH must receive the first payment within 45 days after the date it receives your election form. The first payment must equal the premiums due from the date coverage ended until the end of the month in which payment is being made. This means that your first payment may be for more than one month of COBRA continuation coverage.

- After the first payment, additional payments are due on the first day of each month for which coverage is to be continued. To continue coverage, each monthly payment must be postmarked no later than 30 days after the payment is due.

Payments for COBRA continuation coverage must be made by check or money order, payable to UNITE HERE HEALTH, and mailed to:

**UNITE HERE HEALTH**
Attn: Operations Department
P. O. Box 6557
Aurora, IL 60598-0557

**Termination of COBRA continuation coverage**

COBRA continuation coverage will end when the maximum period of time for which coverage can be continued is reached.

However, on the occurrence of any of the following, continuation coverage may end on the first to occur of any of the following:

- The end of the month for which a premium was last paid, if you or your dependents do not pay any required premium when due.

- The date the Plan terminates.

- The date Medicare coverage becomes effective if it begins after the person’s election of COBRA (Medicare coverage means you are entitled to coverage under Medicare; you have applied or enrolled for that coverage, if application is necessary; and your Medicare coverage is effective).

- The date the Plan’s eligibility requirements are once again satisfied.

- The end of the month occurring 30 days after the date disability under the Social Security Act ends, if that date occurs after the first 18 months of continuation coverage have expired.

- The date coverage begins under any other group health plan.

If termination of continuation coverage ends for any of the reasons listed above, you will be
mailed an early termination notice shortly after coverage terminates. The notice will specify the date coverage ended and the reason why.

**To get more information**

If you have any questions about COBRA continuation coverage, your rights, or the Plan’s notification procedures, please call UNITE HERE HEALTH at **(866) 261-5676**.

For more information about health insurance options available through a Health Insurance Marketplace, visit [www.healthcare.gov](http://www.healthcare.gov).
Pensioner and Retiree Benefits

Learn:

- Who is eligible for benefits after retirement.
- What benefits are available if you are eligible for Medicare.
- What benefits are available if you are not eligible for Medicare.
- When you can make COBRA self-payments to continue coverage.
**Pensioner and Retiree Benefits**

Under certain circumstances, the Fund provides benefits to you, and in some cases to your spouse, after you retire. The type of benefit you may be eligible for depends on whether you are a pensioner or a retiree, and whether you are eligible for Medicare or not.

You are a **pensioner** if you are eligible for, and in receipt of, benefits under the UNITE HERE National Retirement Fund either by means of a monthly benefit or a lump-sum distribution. If you are a pensioner and you:

- *are* eligible for Medicare, see “Benefits if you are eligible for Medicare,” on page H-3.
- *are not* eligible for Medicare, see “Benefits if you are not eligible for Medicare” on page H-4.

You are a **retiree** if you retired from active covered employment, either through normal retirement, early retirement, or disability retirement, as determined by one of the pension plans within the UNITE HERE National Retirement Fund (as listed below), and you are in receipt of, or qualify for benefits from the pension plan. If you are a retiree, see “Benefits if you are not eligible for Medicare” on page H-4.

The pension benefit you are in receipt of, or are eligible for, must be from the UNITE HERE National Retirement Fund as shown below:

<table>
<thead>
<tr>
<th>Local 1, Pension Fund 558</th>
<th>Local 89, Pension Fund 559</th>
</tr>
</thead>
<tbody>
<tr>
<td>Local 2, Pension Fund 528</td>
<td>Local 100, Pension Fund 505</td>
</tr>
<tr>
<td>Local 11, Pension Fund 507</td>
<td>Local 158, Pension Fund 510</td>
</tr>
<tr>
<td>Local 15, Pension Fund 526</td>
<td>Local 164, Pension Fund 511</td>
</tr>
<tr>
<td>Local 60, Pension Fund 508</td>
<td>Local 178, Pension Fund 569</td>
</tr>
<tr>
<td>Local 70, Pension Fund 541</td>
<td>Local 302, Pension Fund 560</td>
</tr>
<tr>
<td>Local 71, Pension Fund 509</td>
<td>Local 325, Pension Fund 562</td>
</tr>
</tbody>
</table>

Or, on or after January 1, 1994, a pension benefit under the National Retirement Fund because of covered employment with a Local 100 employer.

It is important you keep UNITE HERE HEALTH informed about any change in your name or your address. If you get married or divorced, or if your retirement status changes, be sure to contact the Fund to find out how these events may affect your benefits. If you have questions about eligibility or benefits or need to notify the Fund of a change, call the Fund at **(866) 261-5676**.

If you are a pensioner who retired prior to February 1, 1986, call the Fund at **(866) 261-5676** for life insurance information.

The Trustees may change or amend eligibility rules at any time.
Benefits if you are eligible for Medicare

<table>
<thead>
<tr>
<th>Benefits if you (a pensioner) are eligible for Medicare - What the Plan Pays</th>
</tr>
</thead>
<tbody>
<tr>
<td>Medicare Deductible Reimbursement Benefit</td>
</tr>
<tr>
<td>Part A, Medicare Deductible</td>
</tr>
<tr>
<td>Part B, Medicare Deductible</td>
</tr>
</tbody>
</table>

**Who is eligible**

You qualify for coverage if you meet all of the following:

- Are a pensioner as described on page H-2.
- Are eligible for Medicare.
- Complete any enrollment materials required by UNITE HERE HEALTH.
- Were covered for benefits under Plan Unit 100 within 12 months of the date you retired.
  - For purposes of determining the 12 month-period, the date you retire is the first day you are no longer engaged in active employment, and are entitled to normal, early, or disability retirement benefits, as determined by pension plan within the National Retirement Fund.

If you are under age 65 when you retire and qualify for benefits under “Benefits if you are not eligible for Medicare,” you will automatically qualify for benefits under this section once you become eligible for Medicare, as long as you qualify for pension benefits.

*There is no coverage for dependents.*

**Enrollment requirements**

You should enroll for coverage under the Plan. Call the Fund at (866) 261-5676 for more information.

**What’s covered**

The Plan reimburses you for any amounts you have to pay each calendar year for Medicare Part A and Part B deductibles, up to:

- 100% of the Part A deductible (for each benefit period).
- 100% of the Part B deductible.

**What’s not covered**

The Plan will not pay benefits for:

- Any coverage under Medicare Part C or Medicare Part D.
Pensioner and Retiree Benefits

- Any coinsurance amounts not paid by Medicare.
- Any amount considered by Medicare to be in excess of Medicare’s allowable expense or maximum benefits.
- Any treatment, services or supplies not considered by Medicare to be covered expenses.
- Any charges for treatment, services, or supplies listed in the Plan’s General Exclusions and Limitations (see page E-1).

When coverage ends
Your coverage ends on the earliest of any of the following dates:
- The date the Plan is terminated.
- The date you die.

Benefits if you are not eligible for Medicare

<table>
<thead>
<tr>
<th>Benefits if you (a pensioner or retiree) are not eligible for Medicare - What the Plan Pays</th>
</tr>
</thead>
<tbody>
<tr>

<tr>
<td>Employee Assistance Program (EAP) benefits</td>
</tr>
<tr>
<td>Dental benefits</td>
</tr>
<tr>
<td>Vision benefits</td>
</tr>
<tr>
<td>Life and AD&amp;D benefits</td>
</tr>
</tbody>
</table>

Who is eligible
You qualify for coverage if you meet all of the following:
- Are a pensioner or retiree as described on page H-2.
- Are not eligible for Medicare.
- Complete the required enrollment materials and make the required self-payments.
- Were covered for benefits (Class I or Class II) under the Plan within 12 months of the date you retired.
For purposes of determining eligibility and enrollment requirements, the date you retire is the first day you are no longer engaged in active employment, and are entitled to normal, early, or disability retirement benefits, as determined by pension plan within the National Retirement Fund.

If you are eligible, and your legal spouse is under age 65 and not eligible for Medicare, your spouse also qualifies for coverage.

**Enrollment requirements**

You must enroll for coverage and make the required self-payments within 31 days of the later of:

- The date you retire.
- The earlier of:
  - The date you reach early retirement age, or
  - The date your Class I or Class II benefits end due to your retirement.

All subsequent payments must be received by the 15th of the month preceding the month for which coverage is intended.

Call the Fund at (866) 261-5676 for more information about the documentation that must be provided and to find out the amount of your self-payment.

**What’s covered**

Your medical benefits, EAP benefits, and prescription drug benefits are the same as the medical, EAP, and prescription drug benefits for Class II employees. See the beginning of this SPD for the table of contents. You must also follow all of the rules under the prior authorization program as described starting on page C-1.

**What’s not covered**

All of the exclusions applicable under the Class II medical, EAP, and prescription drug benefits apply to your benefits. See “What’s not covered” under each section, and the Plan’s General Exclusions and Limitations on page E-1.

**When coverage ends**

Your coverage ends on the earliest of any of the following dates:

- The last day of the month for which you last made a timely self-payment.
- The date the Plan is terminated.
- The date you die.
See page H-3 for benefits available once you become eligible for Medicare.

Your spouse’s coverage ends once he or she becomes eligible for Medicare, or once your coverage ends, whichever is earlier.

**COBRA continuation coverage**

Your spouse may be able to elect COBRA continuation coverage for a maximum 36–month period if he or she loses retiree coverage because of divorce, your death, or you becoming eligible for Medicare. Your spouse’s COBRA coverage will end sooner than the end of the 36–month period if he or she reaches age 65 and is eligible for Medicare. See page G-25 for more information about your spouse’s rights to continue coverage under (COBRA).
Claim filing and appeal provisions

Learn:

- What you need to do to file a claim.
- Where you need to send the claim information.
- The deadline to file a claim.
- When you will get a decision on your claim.
- How to appeal if your claim is denied.
- When you will get a decision on your appeal.
- Your right to external claim review.
Filing a benefit claim

Your claim for benefits must include all of the following information:

- Your name.
- Your Social Security number.
- A description of the injury, sickness, symptoms, or other condition upon which your claim is based.

A claim for healthcare benefits should include any of the following information that applies:

- Diagnoses.
- Dates of service(s).
- Charges incurred for each service(s).
- Name and address of the provider.
- When applicable, your dependent’s name, Social Security number, and your relationship to the patient.

Claims for life or AD&D benefit claims must include a certified copy of the death certificate. All claims for benefits must be made as shown below. If you need help filing a claim, contact the Fund at (866) 261-5676.

Medical claims (including hearing aids), other than mental health or substance abuse claims

Network providers will generally file the claim for you. However, if you need to file a claim, for example because you used a non-network provider, all claims for hospital, medical, or surgical treatment must be mailed to Horizon Blue Cross and Blue Shield of New Jersey.

Horizon Blue Cross and Blue Shield of New Jersey
P. O. Box 1219
Newark, NJ 07101-1219

However, claims for reimbursement for medical foods and travel and lodging expenses should be sent to UNITE HERE HEALTH. Be sure to include a completed claim form and itemized receipts.

UNITE HERE HEALTH
Attention: Claims Manager
P.O. Box 6020
Aurora, IL 60598-0020
Mental health or substance abuse claims
Network providers will generally file the claim for you. However, if you need to file a claim, for example because you used a non-network provider, all claims for mental health and substance abuse treatment must be mailed to Optum.

Optum
P. O. Box 30755
Salt Lake City, UT 84130-0755

Prescription drug claims
If you use a network pharmacy, the pharmacy should file a claim for you. No benefits are payable if you use a pharmacy that does not participate in the pharmacy network. However, if you need to file a prescription drug claim for a prescription drug or supply purchased at a participating pharmacy, you should send it to:

UNITE HERE HEALTH
Attn: Hospitality Rx
P.O. Box 6020
Aurora, IL 60598-0020

Dental claims
EmblemHealth network dentists will generally file dental claims for you. However, if you need to file a claim, for example because you used a non-network provider, you should send the claim to EmblemHealth.

EmblemHealth
P.O. Box 2838
New York, NY 10116-2833

Vision claims
Davis Vision network providers will generally file vision claims for you. However, if you need to file an out-of-area vision claim, the claim should be sent to Davis Vision. You can get a claim form at www.davisvision.com or by calling (800) 999-5431.

Davis Vision
Vision Care Processing Unit
P.O. Box 1525
Latham, NY 12110
Claim filing and appeal provisions

Life and AD&D insurance claims
Call the Fund at (866) 261-5676 for help filing life and AD&D claims. After the Fund helps you initiate the claim, Dearborn National will contact you (or your beneficiary) to complete the claim filing process. A claim for life insurance benefits must include a copy of the certified death certificate.

UNITE HERE HEALTH
P.O. Box 6020
Aurora, IL 60598-0020

All other benefit claims
All Medicare deductible reimbursement claims and claims for any services or supplies denied because you are not eligible should be mailed to

UNITE HERE HEALTH
P.O. Box 6020
Aurora, IL 60598-0020

Deadlines for filing a benefit claim
Only those benefit claims that are filed in a timely manner will be considered for payment. The following deadlines apply:

- **Life** claims: within a reasonable amount of time.
- **AD&D** dismemberment claims: written notice must be received within 31 days of loss (or as soon as reasonably possible). Written proof of loss must be received within 90 days of loss (or as soon as reasonably possible). If you are legally incapacitated this time frame may be extended. Other deadlines may apply to your additional AD&D insurance benefits — read your insurance certificate for more information.
- **Vision** claims: no later than 365 days following the date the claim was incurred.
- **All other** claims, including medical, mental health/substance abuse claims, prescription drug, hearing aid, dental, and Medicare deductible reimbursement claims: no later than 18 months after the date the claim was incurred.

If you do not file a benefit claim by the appropriate deadline, your claim will be denied unless you can show that it was not reasonably possible for you to meet the claim filing requirements, and that you filed your claim as soon after the deadline as was reasonably possible.

Individuals who may file a benefit claim
You, a healthcare provider (under certain circumstances), or an authorized representative acting on your behalf may file a claim for benefits under the Plan.
Who is an authorized representative?
You may delegate authority to an individual to act on your behalf in regard to a claim for benefits or review of a denial of your claim. If you would like to designate an authorized representative, you and the person whom you wish to designate as an authorized representative must complete and sign a form acceptable to the Fund and submit it to:

UNITE HERE HEALTH
Attention: Claims Manager
P.O. Box 6020
Aurora, Illinois 60598-0020

In the case of an urgent care/emergency treatment claim, a healthcare provider with knowledge of your medical condition may act as your authorized representative.

If UNITE HERE HEALTH determines that you are incompetent or incapable of naming an authorized representative to act on your behalf, any of the following individuals may be recognized as your authorized representative without the appropriate form:

- Your spouse (or domestic partner).
- An individual who has power of attorney, or who is executor of your estate.

Your authorized representative may act on your behalf until the earlier of the following dates:

- The date you inform UNITE HERE HEALTH, either verbally or in writing, that you revoke the individual’s authority to act on your behalf.
- The date a final decision on your appeal is issued.

Determination of claims
Post-service healthcare claims not involving concurrent care decisions
You will be notified of the decision within a reasonable period of time appropriate to your medical circumstances, but no later than 30 days after your claim is received. In general, benefits for medical/surgical services will be paid to the provider of those services.

This 30-day period may be extended one time for up to an additional 15 days if necessary. If a 15-day extension is required, you will be notified before the end of the original 30-day period. You will also be notified why the extension is needed, and when a decision is expected. If this extension is needed because you did not submit the information needed, you have 60 days (45 days for dental) from the date you are told more information is needed. You will be told what additional information you must submit. If you do not provide the required information within 60 days (45 days for dental), your claim will be denied, and any benefits otherwise payable will not be paid.

Concurrent care decisions
If an ongoing course of treatment has been approved, any decision to reduce or terminate benefits payable for the course of treatment (other than by amendment or Plan termination) is considered
Claim filing and appeal provisions

a denial of your claim. In the event of such a denial of benefits, you will be notified of the decision in time to allow you to appeal before the benefit is reduced or terminated.

If you request that an approved course of treatment be extended, and the request is an urgent care/emergency treatment claim, a decision regarding your request will be made as soon as possible, taking into account the medical circumstances of your situation. You will be notified of the decision (whether adverse or not) no later than 24 hours after receipt of your claim, provided you submit the claim at least 24 hours prior to the expiration of the initial treatment period.

Life and AD&D benefit claims
In general, you will be notified of the decision on your claim for life and AD&D benefits no later than 90 days after receiving your claim.

This 90-day period may be extended for up to an additional 90 days if special circumstances require additional time. Dearborn will notify you in writing if it requires more processing time before the end of the first 90-day period.

Rules for prior authorization of benefits
In general, your request for prior authorization must be processed no later than 15 days from the date the request is received. In the case of an emergency, your request will be processed within 72 hours.

However, this 15-day period may be extended by 15 days for circumstances beyond the control of the prior authorization company, including if you or your healthcare provider did not submit all of the information needed to make a decision. If extra time is needed, you will be informed, before the end of the original 15-day period, why more time is needed and when a decision will be made.

If you are asked for more information, you must provide it within 45 days after you are asked for it. Once you are told that an extension is needed, the time you take to respond to the request for more information will not count toward the 15-day time limit for making a decision. If you do not provide any required information within 45 days, your request for prior authorization will be denied.

In the case of emergency treatment/urgent care, you have no less than 48 hours to provide any required information. A decision will be made as soon as possible, but no later than 48 hours, after you have provided all requested information.

Special rules for decisions involving concurrent care
Concurrent care decisions are decisions about courses of treatment authorized for a definite or indefinite period of time.

If an extension of the period of time your healthcare provider prescribed is requested, and involves emergency treatment/urgent care, a decision must be made as soon as possible, but no later than 24 hours after your request is received, as long as your request is received at least 24 hours before the end of the authorized period of time.
Claim filing and appeal provisions

If your request is not made more than 24 hours in advance, the decision must be made no later than 72 hours after your request is received. If the request for an extension of the prescribed period is not a request involving urgent care, the request will be treated as a new request to have benefits prior authorized and will be decided subject to the rules for a new request.

If a request for prior authorization is denied

If all or part of a request for a benefit prior authorization is denied, you will receive a written denial. The denial will include all of the information federal law requires. The denial will explain why your request was denied, and your rights to get additional information. It will also explain how you can appeal the denial, and your right to bring legal action if the denial is upheld after review.

Appealing a benefit prior authorization denial

If your request for a benefit prior authorization is denied, in whole or in part, you may appeal the decision. The next section explains how to appeal a benefit prior authorization denial.

If a benefit claim is denied

If your claim for benefits, or request for prior authorization, is denied, either in full or in part, you will receive a written notice explaining the reasons for the denial, including all information required by federal law. The notice will also include information about how you can file an appeal and any related time limits, including how to get an expedited (accelerated) review for emergency treatment/urgent care, if appropriate.

Life and AD&D claims

You can file an appeal within 60 days of Dearborn’s decision. Dearborn will generally respond to your appeal within 60 days (but may request a 60-day extension). If you need help filing an appeal, or have questions about how Dearborn’s claim and appeal process works, contact Dearborn.

Dearborn National
1020 31st Street
Downers Grove, IL 60515
(800) 348-4512

Dental claims

You can file an appeal for claims denied on the basis that the services are not medically necessary or that they are experimental or investigational in nature, within 180 days from the date you receive notice of EmblemHealth’s decision. You can file the appeal either by telephone by calling (888) 906-7668 or in writing to EmblemHealth, Professional Review, P.O. Box 2838, New York, NY 10016-2838. EmblemHealth will make a decision within 60 days. If you need to file an expedited appeal you can call (888) 906-7668. You may also have the right to an external appeal
Claim filing and appeal provisions

if your appeal is upheld on the basis that it is not medically necessary or experimental and investigational, or if EmblemHealth fails to adhere to claim processing requirements. You have 4 months from your receipt of EmblemHealth’s final denial or such failure, or from the date you receive a written waiver of any internal appeal. You will receive more information about how to file an appeal and your rights to an external appeal when your claim or internal appeal is denied. You may also request an external appeal from the New York State Department of Financial Services. Call EmblemHealth at (888) 906-7668 if you have any questions.

Appealing the denial of a claim (other than life and AD&D claims, and dental claims)

If your claim for benefits is denied, in whole or in part, you may file an appeal. As explained below, your claim may be subject to one or two levels of appeal.

All appeals must be in writing (except for appeals involving urgent care), signed, and should include the claimant’s name, address, and date of birth, and your (the employee’s) Social Security number. You should also provide any documents or records that support your claim.

Two levels of appeal for medical prior authorization denials and all mental health/substance abuse denials

First level of appeal

All appeals for medical/surgical claims denied under the prior authorization program (prior authorization denials, denials based on retrospective review, or extensions of treatment beyond limits previously approved) and all appeals for mental health/substance abuse benefit claims (including prior authorization denials, and post-service claim denials) must be sent within 12 months of your receipt of the claim denial to:

For medical treatment:

Horizon Blue Cross and Blue Shield of New Jersey
P. O. Box 317
Newark, NJ 07101

For certain diagnostic imaging services through eviCore:

eviCore
Attn: Clinical Appeals, Mail Stop 600
400 Buckwalter Place Boulevard
Bluffton, SC 29910

For mental health/substance abuse treatment:

Optum
P.O. Box 30512
Salt Lake City, UT 84130-0512
Claim filing and appeal provisions

Second level of appeal
If all or any part of the original denial is upheld (meaning that the claim is still denied, in whole or in part, after your first appeal) and you still think the claim should be paid, you or your authorized representative must submit a second appeal of a prior authorization denial within 45 days of the date the first level denial was upheld to:

The Appeals Subcommittee
UNITE HERE HEALTH
711 N. Commons Drive
Aurora, IL 60504

Two levels of appeals for prescription drug claim denials made by Hospitality Rx

First level of appeal
If a prescription drug claim, including a prior authorization claim, is denied, the claim has two levels of appeals. The first appeal of a prescription drug claim denial must be sent within 180 days of your receipt of Hospitality Rx’s denial to:

UNITE HERE HEALTH
Attn: Hospitality Rx
P.O. Box 6020
Aurora, IL 60598-0020

Second level of appeal
If all or any part of the original denial is upheld (meaning that the claim is still denied, in whole or in part, after your first appeal) and you still think the claim should be paid, you or your authorized representative must submit a second appeal within 45 days of the date the first level denial was upheld to:

The Appeals Subcommittee
UNITE HERE HEALTH
711 N. Commons Drive
Aurora, IL 60504

One level of appeal for most other claims
If you disagree with all or any part of a vision claim denial, or post-service healthcare claim denial, and you wish to appeal the decision, you must follow the steps in this section. You must submit an appeal within 12 months of your receipt of the claim denial to:

The Appeals Subcommittee
UNITE HERE HEALTH
711 N. Commons Dr.
Aurora, IL 60504
Claim filing and appeal provisions

The Appeals Subcommittee will not enforce the 12-month filing limit when:

- You could not reasonably file the appeal within the 12-month filing limit because of:
  - Circumstances beyond your control, as long as you file the appeal as soon as reasonably possible.
  - Circumstances in which the claim was not processed according to the Plan’s claim processing requirements.
- The Appeals Subcommittee would have overturned the original benefit denial based on its standard practices and policies.

Appeals involving urgent care claims

If you are appealing a denial of benefits that qualifies as a request for emergency treatment/urgent care, you can orally request an expedited (accelerated) appeal of the denial by calling:

- (630) 699-4372 for urgent medical appeals.
- (844) 813-3860 for urgent prescription drug appeals.

All necessary information may be sent by telephone, facsimile or any other available reasonably effective method.

Appeals under the sole authority of the plan administrator

The Trustees have given the Plan Administrator sole and final authority to decide all appeals resulting from the following circumstances:

- UNITE HERE HEALTH’s refusal to accept self-payments made after the due date.
- Late COBRA payments and applications to continue coverage under the COBRA provisions.
- Late applications, including late applications to enroll for dependent coverage.

You must submit your appeal within 12 months of the date the late self-payment or late application was refused to:

The Plan Administrator
UNITE HERE HEALTH
711 N. Commons Dr.
Aurora, IL 60504-4197

Review of appeals

During review of your appeal, you or your Authorized Representative are entitled to:

- Examine and obtain copies, free of charge, of all Plan documents, records and other information that affect your claim.
Claim filing and appeal provisions

- Submit written comments, documents, records, and other information relating to your claim.

- Information identifying the medical or vocational experts whose opinion was obtained on behalf of UNITE HERE HEALTH in connection with the denial of your claim. You are entitled to this information even if this information was not relied on when your appeal was denied.

- Designate someone to act as your authorized representative (see page I-5 for details).

In addition, UNITE HERE HEALTH must review your appeal based on the following rules:

- UNITE HERE HEALTH may not defer to the initial denial of your claim.

- Review of your appeal must be conducted by a named fiduciary of UNITE HERE HEALTH who is neither the individual who initially denied your claim, nor a subordinate of such individual.

- If the denial of your initial claim was based, in whole or in part, on a medical judgment (including decisions as to whether a drug, treatment, or other item is experimental, investigational, or not medically necessary or appropriate), a named fiduciary of UNITE HERE HEALTH must consult with a healthcare provider who has appropriate training and experience in the field of medicine involved in the medical judgment. This healthcare provider cannot be an individual who was consulted in connection with the initial determination on your claim, nor the subordinate of such individual.

Notice of the decision on your appeal

You will be notified of the decision on your appeal:

- As soon as possible, taking into account your medical circumstances, but not later than 72 hours (72 hours for both levels of appeal combined if the claim is subject to two levels of appeal) after the reviewing entity’s receipt of an appeal that qualifies as a request involving emergency treatment/ urgent care.

- Within a reasonable period of time appropriate to the medical circumstances, but not later than 15 days for each level of appeal after the reviewing entity’s receipt of an appeal regarding prior authorization of services other than those pertaining to concurrent care decisions.

- Within a reasonable period of time, but not later than 60 days (30 days for each level of appeal, if applicable) after the reviewing entity’s receipt of an appeal of healthcare claims for services not requiring prior authorization.

If your claim is denied on appeal based on a medical necessity, experimental treatment, or similar exclusion or limit, a statement that an explanation of the scientific or clinical judgment for the determination applying the terms of the Plan to your medical circumstances will be provided free of charge upon request.
Claim filing and appeal provisions

If your appeal is denied, you will be provided with a written notice of the denial which includes all of the information required by federal law, including a description of the Plan’s external review procedures (where applicable), how to appeal for external review, and the time limits applicable to such procedures.

Independent external review procedures

Within four months after the date you receive a final notice from the Appeals Subcommittee that your appeal has been denied, you may request an external review by an independent external review organization. If you wish to have the external review organization review your claim, you should submit your request to the Plan.

The Plan will conduct a preliminary review of your eligibility for external review within five business days after receiving your request. To be eligible for external review, you must meet all of the following requirements:

- You must have been eligible for benefits at the time you incurred the medical expense.
- Your claim denial must involve a medical judgment or rescission of coverage.
- The denial must not relate to your failure to meet the Plan’s eligibility requirements (eligibility claims are not subject to external review).
- You must have exhausted your internal appeal rights.
- You must submit all the necessary information and forms.

After completing its preliminary review, the Plan has one day to notify you of its determination.

If you are eligible for external review, the Plan will send your information to the review organization. The external review will be independent and the review organization will afford no deference to the Plan’s prior decisions. You may submit additional information to the review organization within ten business days after the review organization receives the request for review. This information may include any of the following:

- Your medical records.
- Recommendations from any attending healthcare provider.
- Reports and other documents.
- The Plan terms.
- Practice guidelines, including evidence-based standards.
- Any clinical review criteria the Plan developed or used.

Within 45 days of receiving the request for review, you will be given notice of the external review decision. The notice from the review organization will explain the decision and include other
important information. The external review organization's decision is binding on the Plan. If it approves your request, the Plan will provide immediate coverage.

**Internal appeal exception**

In certain situations, if the Plan fails to follow its claims procedures, you are deemed to have exhausted the Plan's internal appeals process and may immediately seek an independent external review or pursue legal action under Section 502(a) of ERISA. Please note this exception does not apply if the Plan's failure is de minimis; non-prejudicial; based on good cause or matters beyond the Plan's control; part of a good faith exchange of information between you and the Plan; and not reflective of a pattern or practice of plan non-compliance. If you believe the Plan violated its own internal procedures, you may ask the Plan for a written explanation of the violation. The Plan will provide you with an answer within ten (10) days. To use this exception, you must request external review or commence a legal action no later than 180 days after receipt of the initial adverse determination. If the court or external reviewer rejects your request for immediate review, the Plan will notify you (within 10 days) of your right to pursue internal appeal. The applicable time limit for you to now file your internal appeal will begin to run when you receive that notice from the Plan.

**Non-assignment of claims**

You may not assign your claim for benefits under the Plan to a non-network provider without the Plan’s express written consent. A non-network provider is any doctor, hospital or other provider that is not in a PPO or similar network of the Plan.

This rule applies to all non-network providers, and your provider is not permitted to change this rule or make exceptions on their own. If you sign an assignment with them without the Plan’s written consent, it will not be valid or enforceable against the Plan. This means that a non-network provider will not be entitled to payment directly from the Plan and that you may be responsible for paying the provider on your own and then seeking reimbursement for a portion of the charges under the Plan rules.

Regardless of this prohibition on assignment, the Plan may, in its sole discretion and under certain limited circumstances, elect to pay a non-network provider directly for covered services rendered to you. Payment to a non-network provider in any one case shall not constitute a waiver of any of the Plan's rules regarding non-network providers, and the Plan reserves of all of its rights and defenses in that regard.

**Commencement of legal action**

Neither you, your beneficiary, nor any other claimant may commence a lawsuit against the Plan (or its Trustees, providers, or staff) for benefits denied until the Plan’s internal appeal procedures have been exhausted. This requirement does not apply to your rights to an external review by an independent review organization (“IRO”) under the Affordable Care Act.
Claim filing and appeal provisions

If you finish all internal appeals and decide to file a lawsuit against the Plan, that lawsuit must be commenced no more than 12 months after the date of the appeal denial letter. If you fail to commence your lawsuit within this 12-month time frame, you will permanently and irrevocably lose your right to challenge the denial in court or in any other manner or forum. This 12-month rule applies to you and to your beneficiaries and any other person or entity making a claim on your behalf.
Definitions

Learn:

- A summary definition of some of the terms the Plan uses.

Call the Fund if you aren’t sure what a word or phrase means.
**Definitions**

**Allowable charges**

An **allowable charge** is the amount of charges for covered treatments, services, or supplies that the Plan uses to calculate the benefits it pays for a claim. If you choose a non-network provider, the provider may charge more than the **allowable charge**. You must pay this difference between the actual charges and the **allowable charges**. Any charges that are more than the **allowable charge** are not covered. The Plan will not pay benefits for charges that are more than the **allowable charge**.

The Board of Trustees has the sole authority to determine the level of **allowable charges** the Plan will use. In all cases the Trustees’ determination will be final and binding.

- **Allowable charges** for services furnished by network providers are based on the rates specified in the contract between UNITE HERE HEALTH and the provider network. Providers in the network usually offer discounted rates to you and your family. This means lower out-of-pocket costs for you and your family.

- Treatment by a non-network provider means you pay more out-of-pocket costs. Except where a different allowable charge is required by federal law for non-network emergency medical treatment, the Plan calculates benefits for non-network providers based on an independent metric, like the Medicare rate. The Plan will not pay the difference between what a non-network provider actually charges, and what the Plan considers an **allowable charge**. You pay this difference in cost. (This is sometimes called “balance billing.”)

**Copay or copayment**

A fixed amount (for example, $20) you pay for a covered health care service. You usually have to pay your copay to the provider at the time you get health care. The amount can vary by the type of covered health care service. Usually, once you have paid your copay, the Plan pays the rest of the covered expenses. However, sometimes you have to pay your deductible and coinsurance after the copay.

You can get more information about your medical, prescription drug, or vision copays in the appropriate section of this SPD. (See the beginning of the SPD for the table of contents.)

**Coinsurance**

Your share of the costs of a covered expense, calculated as a percent (for example, 20%) of the allowable charge for the service. You pay your coinsurance plus any deductibles or copays. For example, if the allowable charge for a sleep study with a network provider is $1,000, your 20% coinsurance equals $200. The Fund pays the rest of the allowable charge.
Cosmetic or reconstructive surgery

Cosmetic or reconstructive surgery is any surgery intended mainly to improve physical appearance or to change appearance or the form of the body without fixing a bodily malfunction. Cosmetic or reconstructive surgery includes surgery to prevent or treat a mental health or substance abuse disorder by changing the body.

Mastectomies, and reconstruction following a mastectomy, will not be considered cosmetic or reconstructive surgery (see page D-7).

Covered expense

A treatment, service or supply for which the Plan pays benefits. Covered expenses are limited to the allowable charge.

Deductible

The amount you owe for non-network covered medical expenses before the Fund begins paying benefits under Class I benefits. For example, the Fund will not start paying non-network medical benefits on your behalf until you meet your $400 individual deductible.

Amounts you pay for medical care the Plan does not cover will not count toward your deductible. This includes but is not limited to, excluded services and supplies, charges that are more than the allowable charge, amounts over a benefit maximum or limit, and other charges for which the Plan does not pay benefits. You can get more information about your medical deductible in the section titled “Medical benefits.”

Durable medical equipment (DME)

Durable medical equipment (DME) must meet all of the following rules:

- Mainly treats or monitors injuries or sicknesses.
- Withstands repeated use.
- Improves your overall medical care in an outpatient setting.
- Is approved for payment under Medicare.

Some examples of DME are: wheelchairs, hospital-type beds, respirators and associated support systems, infusion pumps, home dialysis equipment, monitoring devices, home traction units, and other similar medical equipment or devices. The supplies needed to use DME are also considered DME.
**Definitions**

**Experimental, investigational, or unproven (experimental or investigational)**

Experimental, investigational, or unproven procedures or supplies are those procedures or supplies which are classified as such by agencies or subdivisions of the federal government, such as the Food and Drug Administration (FDA) or the Office of Health Technology Assessment of the Centers for Medicare & Medicaid Services (CMS); or according to CMS’s Medicare Coverage Issues Manual. Procedures and supplies that are not provided in accordance with generally accepted medical practice, or that the medical community considers to be experimental or investigative will also meet the definition of experimental, investigational, or unproven.

However, routine patient costs associated with clinical trials are not considered experimental, investigational, or unproven.

**Emergency medical treatment**

Emergency medical treatment means covered medical services used to treat a medical condition displaying acute symptoms of sufficient severity (including severe pain) that an individual with average knowledge of health and medicine could expect that not receiving immediate medical attention could place the health of a patient, including an unborn child, in serious jeopardy or result in serious impairment of bodily functions or bodily organs or body parts.

**Healthcare provider**

A healthcare provider is any person who is licensed to practice any of the branches of medicine and surgery by the state in which the person practices, as long as he or she is practicing within the scope of his or her license.

A primary care provider (PCP) is defined as a provider who specializes in one the following fields:

- Family medicine.
- General practice.
- Geriatrics.
- Internal medicine.
- Pediatrics.
- Obstetrics and gynecology.

A specialist is a healthcare provider who specializes in a field other than those designated as primary care above.
A **dentist** is a healthcare provider licensed to practice dentistry or perform oral surgery in the state in which he or she is practicing, as long as he or she practices within the scope of that license. Another type of healthcare provider may be considered a dentist if the healthcare provider is performing a covered dental service and otherwise meets the definition of “healthcare provider.”

A **provider** may be an individual providing treatment, services, or supplies, or a facility (such as a hospital or clinic) that provides treatment, services, or supplies.

A relative related by blood or marriage, or a person who normally lives in your home, with you will not be considered a **healthcare provider**.

### Injuries and sicknesses

The Plan only pays benefits for the treatment of **injuries** or **sicknesses** that are not related to employment (non-occupational **injuries** or **sicknesses**).

**Sickness** includes certain treatments and conditions, including: mental health conditions and substance abuse; pregnancy and pregnancy-related conditions for you and your spouse, including abortion; and voluntary sterilization for you, your spouse, and your female children.

The Plan only pays benefits for preventive healthcare for a pregnant dependent child. Maternity charges for a pregnant dependent child that are not preventive healthcare (*see page J-6*) are not covered by the Plan. “Non-preventive maternity care” includes but is not limited to ultrasounds, are for a high-risk pregnancy, and the actual childbirth and delivery. No benefits are payable for the child of your child (unless the child meets the Plan’s definition of a dependent—*see page G-3*).

Treatment of infertility, including fertility treatments such as in-vitro fertilization or other such procedures, is not considered a **sickness** or an **injury**.

### Medically necessary

**Medically necessary** services, supplies, and treatment are:

- Consistent with and effective for the injury or sickness being treated;
- Considered good medical practice according to standards recognized by the organized medical community in the United States; and
- Not experimental or investigational (*see page J-4*), nor unproven as determined by appropriate governmental agencies, the organized medical community in the United States, or standards or procedures adopted from time-to-time by the Trustees.

However, with respect to mastectomies and associated reconstructive treatment, allowable charges for such treatment is considered **medically necessary** for covered expenses incurred
Definitions

based on the treatment recommended by the patient’s healthcare provider, as required under federal law. For ambulance benefits and medical necessity requirements see page D-6.

However, the Board of Trustees has the sole authority to determine whether care and treatment is medically necessary, and whether care and treatment is experimental or investigational. In all cases, the Trustees’ determination will be final and binding. Determinations of medical necessity and whether or not a procedure is experimental or investigative are solely for the purpose of establishing what services or courses of treatment are covered by the Plan. All decisions regarding medical treatment are between you and your healthcare provider and should be based on all appropriate factors, only one of which is what benefits the Plan will pay.

Out-of-Pocket limit for network care and treatment

In order to protect you and your family, the Plan limits your cost-sharing for covered network services during a calendar year. Your out-of-pocket limit limits the amount of coinsurance and copays you pay during one calendar year for network medical and prescription drug covered expenses.

Amounts you pay out-of-pocket for services and supplies that are not covered, amounts over the allowable charges, deductibles (applicable to non-network services only) or care or treatment you receive after the Plan’s maximum benefit, do not count toward your out-of-pocket limit. In addition, amounts you pay in addition to your prescription drug copay when you choose a brand name drug when a generic equivalent is available or for early refill surcharges, do not count toward your out-of-pocket limit.

Out-of-pocket costs for non-network care or treatment do not count toward your out-of-pocket limit, except for emergency medical treatment, professional ambulance transportation, treatment provided by non-network healthcare providers who specialize in emergency medicine, radiology, anesthesiology, or pathology, inpatient consultations with non-network providers, and when the network doesn’t have a provider in the required specialty. The Plan will not pay 100% for services or supplies that are not covered, or that are provided by a non-network provider, even if you have met your out-of-pocket limit(s) for the year.

You can get more information about your out-of-pocket limits in the medical and prescription drug benefit sections of this SPD. (See page D-5 and D-15.)

Plan Document

The rules and regulations governing the Plan of benefits provided to eligible employees and dependents participating in Plan Unit 100 (New York).

Preventive healthcare

Under the medical and prescription drug benefits, the Plan covers preventive healthcare at
100%—there is no cost to you—when you use a network provider and meet any age, risk, or frequency rules. **Preventive healthcare** is defined under federal law as:

- Services rated “A” or “B” by the United States Preventive Services Task Force (USPSTF).
- Immunizations recommended by the Advisory Committee on Immunization Practices of the Center for Disease Control and Prevention.
- Preventive care and screenings for women as recommended by the Health Resources and Services Administration.
- Preventive care and screenings for infants, children, and adolescents provided in the comprehensive guidelines supported by the Health Resources and Services Administration.

The Plan may cover certain **preventive healthcare** more liberally (for example, more frequently or at earlier/later ages) than required. For example, routine mammograms are generally covered annually for women age 40 through 74, and earlier or later for women at high risk. The Plan also considers routine PSA screening tests (prostate-specific antigen tests) to be preventive healthcare.

Contact the Fund with questions about what types of **preventive healthcare** is covered, and to find out if any age, risk, or frequency limitations apply. You can also go to: [www.healthcare.gov/preventive-care-benefits](http://www.healthcare.gov/preventive-care-benefits) for a summary. This website may not show all applicable limitations and may include certain services that aren’t yet required to be included under your Plan. If you don’t meet the criteria for preventive healthcare, it might not be covered under the Plan at all.

The list of covered **preventive healthcare** changes from time to time as **preventive healthcare** services and supplies are added to or taken off of the USPSTF’s list of required **preventive healthcare**. The Fund follows federal law that determines when these changes take effect.

**Totally Disabled or Total Disability**

You are considered to be totally disabled if you are prevented by injury or sickness from engaging in any occupation for wage or profit, for which you are reasonably qualified by education, training, or experience. A dependent is considered to be totally disabled if he or she suffers from any medically determinable physical or mental impairment of comparable severity.

Determination of total disability requires written certification by the attending doctor and approval of UNITE HERE HEALTH.

*See page D-40* for the definition of total disability applicable to the extension of the life insurance benefit.
Other important information
**Who pays for your benefits?**

In general, Plan benefits are provided by the money (contributions) employers participating in the Plan must contribute on behalf of eligible employees under the terms of the Collective Bargaining Agreements (CBAs) negotiated by your union. Plan benefits are also funded by amounts you may be required to pay for your share of your or your dependent’s coverage.

**What benefits are provided through insurance companies?**

The Plan provides the medical benefits, the prescription drug benefits, the vision care benefits, the hearing aid benefits, and the employee assistance program (EAP) benefits on a self-funded basis. Self-funded means that none of these benefits are funded through insurance contracts. Benefits and associated administrative expenses are paid directly from UNITE HERE HEALTH.

The Plan provides the dental benefits and the life and accidental death & dismemberment (AD&D) benefits on a fully insured basis. The dental benefits are funded and guaranteed under a group policy underwritten by Group Health Incorporated (GHI). The life and AD&D benefits are funded and guaranteed under a group policy underwritten by Dearborn National.

The Plan also contracts with other organizations to help administer certain benefits. Prescription drug benefits are administered by Hospitality Rx, LLC, a wholly owned subsidiary of UNITE HERE HEALTH. Davis Vision administers the vision benefit. Optum administers the mental health and substance abuse benefits, including prior authorization. Prior authorization and other utilization review services for the Plan’s medical benefits are provided by Horizon Blue Cross and Blue Shield of New Jersey (Horizon). Horizon contracts with eviCore to manage prior authorization for certain diagnostic imaging services and with Magellan Rx Management for prior authorization of medical injectables. The Plan also contracts with eviCore to provide radiation therapy utilization review services.

**Interpretation of Plan provisions**

For claims subject to independent external review (see page I-12), the IRO has the authority to make decisions about benefits, and decide all questions about claims, submitted for independent external review.

For benefits provided on a fully insured basis, the insurer has the sole authority to make decisions about benefits and decide all questions or controversies of whatever character with respect to the insured policy.

**All other authority rests with the Board of Trustees.** The Board of Trustees of UNITE HERE HEALTH has sole and exclusive authority to:

- Make the final decisions about applications for or entitlement to Plan benefits, including:
  - The exclusive discretion to increase, decrease, or otherwise change Plan provisions for
the efficient administration of the Plan or to further the purposes of UNITE HERE HEALTH,

- The right to obtain or provide information needed to coordinate benefit payments with other plans,
- The right to obtain second medical or dental opinions or to have an autopsy performed when not forbidden by law;

- Interpret all Plan provisions and associated administrative rules and procedures;
- Authorize all payments under the Plan or recover any amounts in excess of the total amounts required by the Plan.

The Trustees’ decisions are binding on all persons dealing with or claiming benefits from the Plan, unless determined to be arbitrary or capricious by a court of competent jurisdiction. Benefits under this Plan will be paid if the Board of Trustees of UNITE HERE HEALTH, in their sole and exclusive discretion, decide that the applicant is entitled to them.

The Plan gives the Trustees full discretion and sole authority to make the final decision in all areas of Plan interpretation and administration, including eligibility for benefits, the level of benefits provided, and the meaning of all Plan language (including this Summary Plan Description). In the event of a conflict between this Summary Plan Description and the Plan Document governing the Plan, the Plan Document will govern. The decision of the Trustees is final and binding on all those dealing with or claiming benefits under the Plan, and if challenged in court, the Plan intends for the Trustees’ decision to be upheld unless it is determined to be arbitrary and capricious.

Amendment or termination of the Plan

The Trustees reserve the right to amend or terminate UNITE HERE HEALTH, either in whole or in part, at any time, in accordance with the Trust Agreement. For example, the Trustees may determine that UNITE HERE HEALTH can no longer carry out the purposes for which it was founded, and therefore should be terminated.

In accordance with the Trust Agreement, the Trustees also reserve the right to amend or terminate your Plan or any other Plan Unit, or to amend, terminate or suspend any benefit schedule under any Plan Unit at any time. Such termination or suspension, as well as, the termination, expiration, or discontinuance of any insurance policy under UNITE HERE HEALTH shall not necessarily constitute a termination of UNITE HERE HEALTH.

If UNITE HERE HEALTH is terminated, in whole or in part, or if your Plan, any other Plan Unit or any schedule of benefits is terminated or suspended, no employer, participant, beneficiary or other employee benefit plan will have any rights to any part of UNITE HERE HEALTH’s assets. This means that no employer, plan or other person shall be entitled to a transfer of any of UNITE HERE HEALTH’s assets on such termination or suspension. The Trustees may continue paying
Other important information

claims incurred before the termination of UNITE HERE HEALTH or any Plan Unit, as applicable, or take any other actions as authorized by the Trust Agreement. Payment of benefits for claims incurred before the termination of UNITE HERE HEALTH, any Plan Unit, or any schedule of benefits will depend on the financial condition of UNITE HERE HEALTH.

Your Plan and all other Plan Units in UNITE HERE HEALTH are all part of a single employee health plan funded by a single trust fund. No Plan Unit and no schedule of benefits shall be treated as a separate employee benefit plan or trust.

Free choice of provider

The decision to use the services of particular hospitals, clinics, doctors, dentists, or other healthcare providers is voluntary, and the Plan makes no recommendation as to which specific provider you should use, even when benefits may only be available for services furnished by providers designated by the Plan. You should select a provider or treatment based on all appropriate factors, only one of which is coverage under the Plan.

Providers are not agents or employees of UNITE HERE HEALTH, and the Plan makes no representation regarding the quality of service provided.

Workers’ compensation

The Plan does not replace or affect any requirements for coverage under any state Workers’ Compensation or Occupational Disease Law. If you suffer a job-related sickness or injury, notify your employer immediately.

Type of Plan

The Plan is a welfare plan providing healthcare and other benefits, including life insurance and accidental death and dismemberment insurance. The Plan is maintained through Collective Bargaining Agreements between UNITE HERE and certain employers. These agreements require contributions to UNITE HERE HEALTH on behalf of each eligible employee. For a reasonable charge, you can get copies of the Collective Bargaining Agreements by writing to the Plan Administrator. Copies are also available for review at the Aurora, Illinois, Office, and within 10 days of a request to review, at the following locations: regional offices, the main offices of employers at which at least 50 participants are working, or the main offices or meeting halls of local unions.

Employer and employee organizations

You can get a complete list of employers and employee organizations participating in the Plan by writing to the Plan Administrator. Copies are also available for review at the Aurora, Illinois, Office and, within 10 days of a request for review, at the following locations: regional offices, the
main offices of employers at which at least 50 participants are working, or the main offices or meeting halls of local unions.

**Plan administrator and agent for service of legal process**

The Plan Administrator and the agent for service of legal process is the Chief Executive Officer (CEO) of the UNITE HERE HEALTH. Service of legal process may also be made upon a Plan trustee. The CEO's address and phone number are:

**UNITE HERE HEALTH**
Chief Executive Officer
711 North Commons Drive
Aurora, IL 60504
(630) 236-5100

**Employer identification number**

The Employer Identification Number assigned by the Internal Revenue Service to the Board of Trustees is EIN# 23-7385560.

**Plan number**

The Plan Number is 501.

**Plan year**

The Plan year is the 12-month period set by the Board of Trustees for the purpose of maintaining UNITE HERE HEALTH's financial records. Plan years begin each April 1 and end the following March 31.

**Remedies for fraud**

If you or a dependent submit information that you know is false or if you purposely do not submit or you conceal important information in order to get any Plan benefit, the Trustees may take actions to remedy the fraud, including: asking for you to repay any benefits paid, denying payment of any benefits, deducting amounts paid from future benefit payments, and suspending and revoking coverage.
Limited retroactive terminations of coverage allowed

Your coverage under the Plan may not be terminated retroactively (this is called a rescission of coverage) except in the case of fraud or an intentional misrepresentation of material fact. In this case, the Plan will provide at least 30 days advance notice before retroactively terminating coverage. You have the right to file an appeal if your coverage is rescinded.

If the Plan terminates coverage on a prospective basis, the prospective termination of coverage (termination scheduled to occur in the future) is not a rescission. The Plan may retroactively terminate coverage in any of the following circumstances, and the termination is not considered a rescission of coverage:

- Failure to make contributions or payments towards the cost of coverage, including COBRA continuation coverage, when those payments are due.
- Untimely notice of death or divorce.
- As otherwise permitted by law.
Your rights under ERISA
Your rights under ERISA

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA).

If you have any questions about this statement or your rights under ERISA, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory, or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Dept. of Labor, 200 Constitution Avenue, N.W., Washington, DC 20210.

Receive information about your Plan and benefits

ERISA provides that all Plan participants shall be entitled to:

- Examine, without charge, at the Plan Administrator’s office and at other specified locations, such as work sites and union halls, all documents governing the Plan, including insurance contracts and Collective Bargaining Agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

- Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and Collective Bargaining Agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The administrator may make a reasonable charge for copies not required by law to be furnished free-of-charge.

- Receive a summary of the Plan’s annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue group health Plan coverage

ERISA also provides that all Plan participants shall be entitled to continue healthcare coverage for themselves, their spouses, or their dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this Summary Plan Description and the documents governing the Plan for the rules governing your COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.
Enforce your rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you make a written request for a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in state or federal court. In addition, if you disagree with the Plan’s decision or lack thereof concerning the qualified status of a domestic relation’s order or a medical child support order, you may file suit in federal court.

If it should happen that Plan Fiduciaries misuse the Plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor or you may file suit in federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with your questions

If you have any questions about your Plan, you should contact the Plan Administrator.

If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
