## Prior Authorization

Medical Management Review is a mandatory program requiring prior authorization and review of certain treatments and procedures. Call Nevada Health Solutions toll free at **(855) 487-0353** for the following medical and surgical utilization review services: inpatient pre-admission prior authorizations, emergency admission review, prior authorization of certain outpatient medical procedures and treatments, as well as retrospective review when prior authorization or authorization is not obtained as required.

For Prior Authorization, please contact NEVADA HEALTH SOLUTIONS (NHS)

Phone: **(855) 487- 0353** toll free

Fax: **(866) 201-5601**

### When to call for prior authorization

You or your healthcare provider should contact Nevada Health Solutions before any of the following:

- Air ambulance transportation.
- Clinical trials.

The following radiology services:

- CT or CTA scans (computed tomography or computed tomography angiography).
- Discography.
- MRA or MRI (magnetic resonance imaging or magnetic resonance angiography).
- PET-Scan (positron emission tomography scintiscan).
  - Durable medical equipment rentals or purchases over \$500. (This includes breast pumps costing over \$500.)
- Genetic testing.
- Skilled services provided in a home setting, including home healthcare and home infusion.
- Habilitative therapy for children with autism spectrum disorder.
- Hyperbaric treatment.
- Inpatient admissions, other than for treatment of mental health/substance abuse, admissions following observation or an emergency room visit, and admissions for skilled nursing facility care, acute rehabilitation care, and long-term acute facility care.
- Medical foods for inborn errors of metabolism.
- Oncology and hematology services.
- Orthotic and prosthetic appliance rentals or purchases of over \$500.
- Orthognathic surgery.

- Outpatient surgery or procedures performed in an ambulatory surgical center, and surgery or invasive diagnostic procedures performed in the outpatient hospital surgery area. However, colonoscopies or sigmoidoscopies do not require prior authorization.
- Sleep studies.
- TMJ procedures.
- Transplant services, including consultations.
- Travel and lodging.
- Varicose vein procedures.

Additionally, you should also get prior authorization for the types of care listed in the next section. Nevada Health Solutions may reach out to you or your healthcare professional to make sure that this care is received at the most cost-effective location and is medically appropriate.

- Dialysis.
- Physical, speech, or occupational therapy.

Finally, you are required to notify Nevada Health Solutions for the following types of care listed below. Again, Nevada Health Solutions may reach out to you or your healthcare professional to make sure that this care is received at the most cost-effective location and is medically appropriate.

- All inpatient and residential mental health/substance abuse treatment.

You should contact Nevada Health Solutions before receiving any of the above types of services and supplies. If you need emergency care, you should contact Nevada Health Solutions as soon as possible, but no later than the next business day, after you get the service or supply. If you are hospitalized because you are having a baby, you must call Nevada Health Solutions if your stay will be longer than 48 hours for normal childbirth, or 96 hours for a Cesarean section. Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or a newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a Cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).
