Changes to your free glucometer program

This change only applies if you are in the PPO benefit option.

You can still get a free glucometer once every 12 months. However, some changes have been made to the program:

- The manufacturers will provide one free glucometer every 36 months:

This document constitutes a Summary of Material Modifications (SMM) under the Employee Retirement Income Security Act of 1974, as amended, and summarizes recent actions taken by the Board of Trustees of UNITE HERE HEALTH. It describes benefit and administrative changes affecting the information included in your Summary Plan Description (SPD). This SMM addresses changes to all benefits in your SPD and may include changes and benefits that don't apply to you based on your or your employer's elections.

Please read this information carefully; then, keep it with your SPD for future reference. Except as described in this SMM, the information otherwise contained in your SPD continues to apply.

PPO PLAN *(Blue Cross Blue Shield)*

*These changes only apply if you have the **PPO PLAN** with **BLUE CROSS BLUE SHIELD**.
If you have the **HMO PLAN** with **KAISER PERMANENTE**, this change doesn't apply to you.*

PRESCRIPTION DRUG *(continued)*

- If you need a glucometer sooner than the manufacturer allows, call Hospitality Rx at **(844) 484-4726** or visit www.hospitalityrx.org to get prior authorization for a new glucometer. (The 12-month limit still applies.)
 - ▶ You need a prescription for the glucometer from your healthcare provider.
 - ▶ You need to go to a network pharmacy to get your free glucometer (be sure to check out at the pharmacy counter).

If you don't want a free glucometer, you pay the full cost of the glucometer yourself. You may submit a claim under the medical benefits for the glucometer, but all medical benefit rules apply and you may not be paid back for the full amount — any applicable cost-sharing for durable medical equipment applies.
